MASKED MAN

I'm here in bed, reading your December '86 special collector's edition. The photo-feature "Masked Ball" by Suze Randall was *sharp*. By the way, who was that masked lady? She was mighty fine. I'd sure like to *ball* her! Also, please publish this letter so I can let Taija Rae ("Taija & Buffy: Mountain Passes") know that I go to sleep at night just wishing that I could eat that sweet box of hers, not to mention sucking her perfect tits until my tongue was numb.

—R. D.
Humble, Texas

WHO'S FUCKED UP?

Shit! What's up? The November issue sucks hairy donkey balls. I'm a U.S. soldier in northern Germany, and my fellow friends and I are very disappointed at the bowwows that fucked up this month's issue. So c'mon, HUSTLER, get your shit together and get these ugly sluts out of my favorite magazine. —Upset Soldier
U.S. Army, Germany

The photo-spread "Wigged-Out" (November '86 HUSTLER) is one of the best you've ever published. This is an ancient turn-on for me, and I love the two girls in the garter belts. You should put a photo-spread like that one in every issue.

—M. B.
San Francisco, California

I was pleased to see the large number of big-titted babes in the last couple of issues: "Jacqueline" (September '86) and "Kate" in the November issue, to name two. Quite a few men's magazines feature big-titted women, but HUSTLER's presentation of healthily endowed women is unique and far superior because of the open-labia posing you have always specialized in, as well as HUSTLER's exquisitely clear photography. James Baes is terrific. You have sold

me on a three-year subscription. You are certainly the best magazine for *one-handed* reading!

READERS DEFEND RIGHTS

As a liberal-minded journalist with a deep respect for irreverence—something that's sadly lacking in these annoyingly conservative times—I do my share to champion First Amendment rights. I am an entertainment writer, therefore I read with great interest your "Banned in the Bedroom" article (November '86 HUSTLER). I don't always agree with your views and values. However, your mere existence is a great comfort to me. HUSTLER represents freedom of choice and speech—a couple of things that America's overzealous anti-porn forces see fit to deprive us of for reasons that don't make sense. You

advocate the exploration of human sexuality from an alternative standpoint, in a strictly editorial context. As such, a lot of "serious" journalists may or may not feel that they can gain any worthwhile insights from reading HUSTLER. However, I deplore the fact that any government or religious faction would see fit to usurp my ability to come to that conclusion on my own.

—A. W.
Pleasantville, New Jersey

I just finished reading your "Banned in the Bedroom" article in the November '86 issue. I had to write because I live in one of those Bible-belt towns where it is illegal to sell, rent or view X-rated films and to sell or purchase certain magazines. I cannot afford a subscription. For the past 3½ years my husband and I have made a 26-mile trip (52 miles round trip) every couple of months to buy HUSTLER Magazine. Finally, a store in our town has enough guts to stock your fine publication. We could buy a *Penthouse* or *Playboy* with no problem, but we aren't interested in magazines that tell us what kind of car to drive, clothes to wear, stereo to own, or what wine to drink. HUSTLER is for real people!

—J. P.
Fort Meyers, Florida

I am typing this letter in response to your article titled "Banned in the Bedroom." I was sickened after reading the article because it reminds me of how fucked-up America is becoming. Solely due to the efforts of several groups of frigid

Taija & Buffy: Mountain Passes

bitches—who have nothing better to occupy their otherwise worthless asses—the rights of hard-working U.S. citizens are being revoked. The biggest problem is that chickenshit people are giving up their rights, even if they are too narrow-minded to curl up with a copy of HUSTLER. They think it makes no difference to them because they may not read HUSTLER or rent an X-rated flick, but little do they know that these same groups of assholes are trying to ban handguns, smoking in public places, classic storybooks, rock music and old favorite cartoons from our lives! The millions of Americans who smoke, drink, watch *Mr. Ed* and read smut magazines will do fine without their pious asses. —D. P.

Oklahoma City, Oklahoma

I am a sailor on the *USS Nimitz*. I'm here to fight for freedom and the American way of life. It all seems worth it, that is, until I pick up a book or magazine and find out what's going on back home in America: Bible-bangers trying to curb my rights, limit my thinking and censor what I choose to read and view. I request, from a future HUSTLER issue, a list of actions that I can take to fight these assholes. I'm mad as hell, and I'm not going to take it anymore!

—A Sailor
USS Nimitz

There is no set of procedures for protecting Constitutional rights, except to express your freely held opinion and stand up for the other First Amendment guarantees to ensure that we keep those freedoms.

BODY OF WORK

I had never read an issue of HUSTLER until I went over to a friend's house and picked up his latest issue (October '86). I read your *Bits and Pieces* section and caught the *Miami Vice* spoof you did on Don Johnson and Phillip Michael Thomas. I thought it was great, especially the model's body you used for Thomas. —L. W.
Detroit, Michigan

CHANGING THE SUBJECT

I would like to see an article on transsexual subject matter, to help people who are interested in a change in lifestyle and sexuality. Most publications shy away from the subject, but HUSTLER is America's magazine for sexual awareness. I would like to know everything from the plastic surgeon's technique to the total body make-over. And maybe a layout of a transsexual can be included.

—In Need of a Change

REVIEW RAVES

I subscribe to HUSTLER because your movie reviews are great—and usually fairly accurate. All I ask of your reviewers is to tell me when a movie has a lot of raunch, like good oral-cum scenes, and when a movie is more tame and intended for the "couples market." —M. S.

BAD B'RITH

The Anti-Defamation League received a complaint from one of your readers about a full-page cartoon carried in the November '86 issue of HUSTLER. The cartoon with the caption "Kike in the Box" was not humorous, but was surely anti-Semitic. The Anti-Defamation League—which as you know has sought for years to confront anti-Semitism and other forms of bigotry—doesn't understand the need to include material of this kind in HUSTLER Magazine.

—Justin Finger
Director, National Civil Rights division

You must be the kind of guy who gets your nose bent out of shape over HUSTLER's crude, tasteless humor. Just to show we share your concern, see the item on page 15.

FOUR SCORE

Lisa and I have had an open marriage for seven years, but up until last month I had not realized my most secret fantasy—to watch another man screw my better half. My dream was fulfilled a couple of weeks ago when I attended a convention in Atlantic City, New Jersey, and decided to take my wife along with me.

During the day Lisa occupied herself by shopping or playing blackjack at one of the casinos. On our final night at the convention Lisa and I and three other conventioners—Doug, Ernie and Steve—decided to go out and tie one on.

One of my buddies—Ernie—knew about this great striptease joint on the outskirts of Atlantic City; so we all piled into his car and off we went. We started drinking heavily as soon as we arrived. It was a tacky little place, but I was surprised by the attractiveness of the dancers, and it was obvious that my Lisa was getting into the sexy show as well. As one very buxom brunette strutted her stuff onstage, I snaked a hand underneath Lisa's dress, only to find Doug's digits already dug in. I gave Doug an approving glance and returned my attention to the dark-haired dancer, who was circling her big cones with a vibrator. Upon completion of her gyrations, I waded through the darkness to find the men's room. After relieving myself and returning to our table, I found that Ernie had taken my chair. It was plainly obvious that he wasn't there to improve the lines of communication at the table. Lisa shot me a wink, and I returned the gesture with a glance of approval to Ernie.

I was now seated opposite my wife, with my chair facing away from her and toward the stage. The next set of drinks arrived, and I turned around to throw in a couple of bucks, but when I did, I noticed that Steve was seated next to my Lisa, and Doug was under the table, servicing Lisa's labes.

Lisa had undone all their belts and was busy beating Ernie's beef as Doug contin-

ued his covert cunt conditioning. I was too buzzed to object to my wife's wanton display; so I played it cool and settled in to enjoy the show. When Doug's tongue tired, he was replaced under the table by eager-for-beaver Ernie. Doug then took the seat Ernie had vacated, applying his own tit-tweaking tactics. It was at this juncture that I found my own tool twitching to be stroked, which is exactly what I did. Watching my wife being manhandled right in the middle of this club was

too good to be true. After two or three minutes of manual meat manipulation, I shot an explosive load underneath the table.

A few minutes later my wife and her three new friends made their collective way out of the strip joint; so I followed closely behind. Lisa told me that her little foursome was heading back to the hotel to finish what they started, but they never made it that far. Upon reaching the underground parking structure at our hotel, my better half and my pals adjourned to the final act of their gang-bang.

I parked my Monte Carlo next to Ernie's LTD, for it was apparent that this group-schtup wasn't going any farther than the parking lot. The lot was well-lit,

but we were on the bottom level, and there were no other cars or people to be seen. Lisa was spread-eagled on the hood of Ernie's car. Doug removed her stockings, garter belt and panties and then entered her. Doug took one of Lisa's size 38s in his mouth and another in his hand as he plunged in and out of Lisa's love-tunnel. It didn't take long for Doug to pop his cork.

Steve and Ernie had been stroking their stuff while Doug dorked my spouse, and in no time Steve had replaced Doug atop my ol' lady. But after about five strokes inside Lisa's quim, Steve complained that Doug's joint juices, coupled with Lisa's loose love box, were making it difficult for him to keep his rod rigid. Doug suggested that they turn Lisa over on her chest and pack her fudge to keep this party rolling.

By this point Lisa was delirious with pleasure and in no condition to refuse the boys' prodding; so she allowed Doug and Ernie to turn her over. I couldn't believe my eyes, for Lisa had never allowed me to enter her dirt chute.

Steve stuck his stick into Lisa's snatch, coated the head of his hose with gash grease and proceeded to plunge his pecker into my wife's portal. Lisa started to thrash about; so Doug and Ernie each applied a hand to Lisa's beautiful backside. Steve continued his anal assault while simultaneously frigging her flaps with a free hand. The look on Lisa's face, coupled with the low-pitched howls and demands for more, told me she was thoroughly enjoying this—as was I. I had creamed my shorts just by watching, and when Steve pulled his prick out and shot a wad into her crack, I thought I might shoot off again. Steve finished by rubbing his cum into her perfect cheeks, then dismounted and motioned for Ernie to take over.

Ernie's dork was the biggest of the three; so it took a while for Lisa's rear entry to accept this new guest. Ernie took a handful of my wife's love jam, mixing it with Steve's special sauce, which was readily available on Lisa's ass, and began

to push at her pooper. This was all I could take. I took out my dick, masturbating slowly as Ernie pressed on. I accelerated my action when Ernie quickened his own pace, and his balls slapping against her ass while Lisa pinched and rubbed her big melons was too much, and I shot another wad.

I thought Ernie would take all night, but he finally stiffened, called out a few four-letter words and popped off into my wife's fecal funnel. By this time Lisa's ass and cunt were raw and covered with jism, but she was still superheated and ready for more. Doug, Steve, and Ernie were all fucked-out. They zipped up, said their goodbyes and made their way toward the elevator. I helped Lisa put herself back together, and the two of us returned to our room.

In bed, after we had both showered, my wife asked if I was embarrassed or ashamed by her behavior—to which I replied, no. But I added that there was a catch: She would be allowed to carry on like that only if I was present. As long as I can enjoy the show, I won't complain about my wife being the main attraction.

RUBBER BALL

Shortly after my divorce from my husband, I became a complete hermit. My ex and I had split up for a number of reasons, but mostly because our sex life had gotten so unbearably boring. For the first few months after our split, I sat around at home, watching TV, reading dull books and going nuts from boredom.

Then one evening I stopped off at a little neighborhood bar after work. That's where I met George. Besides being a hell of a conversationalist, George was fun to be with. We had gone out only twice before I informed George that he could cram my crack, if he chose.

Though our first fuck was marvelous and really helped douse the aching, burning need between my legs, George followed our mutual orgasms by talking about his offbeat sexual interest—what I considered at the time as weird stuff. He asked me if I'd ever experimented with rubber when my husband and I went to bed. As sexually naive as I was, I actually thought he meant condoms.

When George realized that I was totally inexperienced with rubber goods, he jumped out of bed and ran to the closet.

George returned to bed, carrying a strange-looking assortment of rubber

materials. Unfolding them, he showed me each water-and-wear resistant piece and explained what it was for. The first item he spread out on the bed was a full-length rubber suit. It resembled a skin-diver's outfit, except that it was open at the hands and feet and was transparent.

George explained how good the cold, slick rubber felt against one's naked skin during sex. George took note of my erect nipples, my glistening cunt and the sexual flush that was clearly evident on my face and breasts. He asked if I'd like to try the rubber suit. I couldn't wait.

Before outfitting me, George went to the bathroom and returned with a box of talcum powder and a powder puff. Pushing me on the bed, George covered my entire body with the talc. My lover's powder application had already begun to turn me on. I now looked like a batch of fresh dough. George then took the rubber pants and inserted my legs into them. I had to stand up so that he could pull them up over my hips.

Now I knew why George had powdered my body so copiously. Even with the silky talc covering me, it was a difficult task to get the tight-fitting rubber pants over my hips and ass. The pants had been designed to fit very tightly and to outline the wearer's rearend and pubic patch—which they did in provocative fashion.

Studying myself in the mirror, I noticed that even my vaginal lips were clearly outlined by the clear rubber apparel. My pubic hair was mashed flat, but also clearly delineated.

George next stretched out the neck of the rubber T-shirt and had me slip my head through it. We managed to get my arms through the short rubber sleeves, and to get the rest of the shirt pulled down over my chest and back. Though my nipples were already erect, the rubber seemed to caress them, holding the hard little buttons at attention.

I must have looked pretty damn sexy to George as well, since I noticed that his fuck flesh was fully erect and twitching. George swiftly covered his naked body with talcum powder and then pulled the other rubber suit on.

After having me lay down spread-eagle on the bed, George reached toward my crotch and undid some snaps. He pulled back a tiny square of rubber, exposing an area big enough to allow access to the slit of my snatch.

George then opened the crotch on his own pants, slipped a condom onto his rod, greased it with petroleum jelly and mounted me, inserting his hard-on firmly into my well-lubed love box. Panting with the excitement he was feeling, George began moving on top of me, ramming that big, stiff erection with mad thrusts. Though the rubber covered our bodies

tightly, the sensation wasn't uncomfortable—it was, in fact, the most scintillating experience I've ever known!

I was sweating profusely beneath the tight rubber suit. George was licking the sweaty skin around my neck where the tight rubber collar ended.

George pressed against the crotch-line of my rubber pants while his big boner bored in and out of my hot honey, our latex duds squeaking like mad when they rubbed together. My browneye clenched, and my ass cheeks tightened as George hammered my hole, the sweat dripping warmly down my hot crevice.

Bending his head down, George kissed one of my rubber-covered cones. Taking my tit in his hand, he opened his mouth and popped my still-hard nipple into his mouth. Fervently sucking on my rubber-clad nip, he worked the hard little bullet of stiffened flesh between his lips and his teeth, occasionally darting his tongue over it while I gasped for air.

Since he was wearing a rubber on his cock, I couldn't feel George shoot off inside my gash when he climaxed. But I could tell when his time came, because he

moaned when his orgasm occurred. Even then, he continued fucking me for a few more minutes, an expression of pure rapture on his sweaty face.

When George finally pulled his flaccid prick out of me, he reached down and re-fastened the little crotch-flap on my skin suit. I was curious as to why he'd done this, but the slightest movement of my thighs gave me my answer.

The boffing I'd just received had increased my vaginal river to overflowing levels. Trapped inside my rubber outfit, the fuck fluids squished and oozed pleaurably against my muff.

George has since become my steady boyfriend. We fuck all the time now, though it's seldom without both of us wearing at least one rubber garment of some kind. George has been queer for rubber for years now, and he's just gained his latest convert to Rubber City.

BITTS and PIECES

ASSHOLE OF THE MONTH

For getting free pussy while working for the taxpayers, and then trying to act innocent about it, former California legislator Bruce Young is Asshole of the Month.

Young is also facing a federal trial on 28 counts of fraud for allegedly sponsoring and voting for legislation favoring firms he was working for, and for improperly reporting campaign contributions. The charges stem from the probe of convicted political manipulator W. Patrick Moriarty, now in federal prison. Young's consulting firm was paid by Moriarty's fireworks company, as well as a cable television company, at the same time Young was working for passage of laws affecting each company.

We've come to expect this kind of shit from the sewer of politics. What pisses us off is that, after first vehemently denying getting laid by a girl furnished by Moriarty, Young

Bruce Young

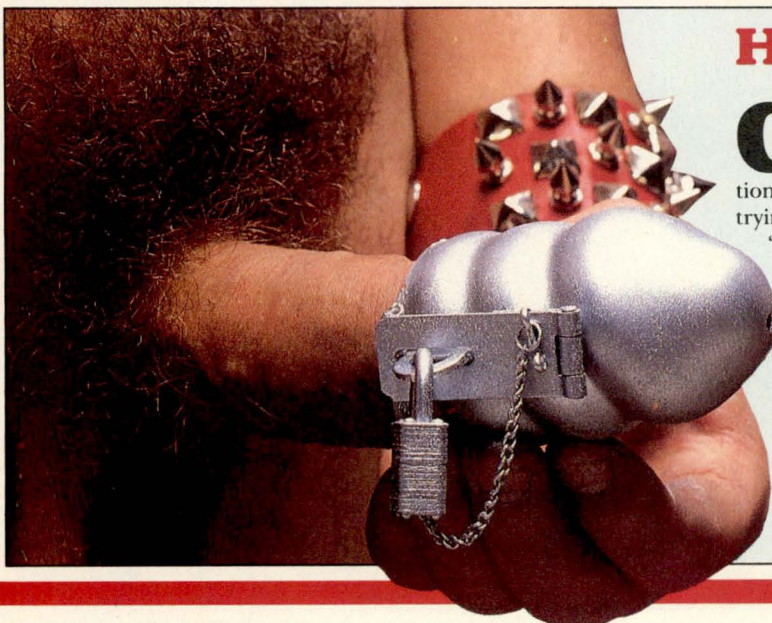

finally admitted the affair, but claims he thought she was in love with him. He still denied knowing Moriarty was involved, although the touching romance started at a sex party arranged for politicians by Moriarty's confessed go-between, Richard Raymond Keith, also doing time.

Perhaps Young is too stupid to make the connection and so dim he didn't realize he was being manipulated as a lawmaker. He's been smart enough to make it as a Sacramento lobbyist—you know, getting legislators to vote for his clients' interests. We wonder how a man with Young's

background in political ethics operates.

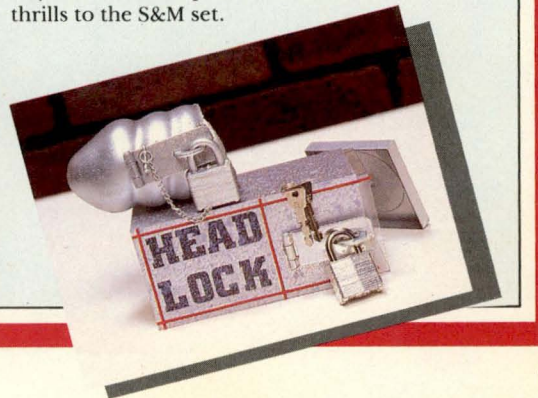

Typically, Young is pointing the finger at other politicians named in the probe. It shields not only Young but other two-faced elected officials from facing the real issue: Why would citizens accept attempts to legislate morality from people who accept pussy for political favors?

Young is already taking the usual dodge of wearing a mask of respectability—at the press conference, while admitting his affair with the whore, Young sat holding hands with his second wife. We can't expect a display of moral courage from a spineless puppet like Young, but perhaps the rest of the arrogant scum in office will see the light and repeal anti-prostitution legislation. Then all these assholes will have to worry about is getting caught for committing real crimes.

Cautious queers needn't fear all manner of disease any more. Head Lock, the first chastity belt for men, can withstand everything from a nasty infection to a shotgun blast (though we don't recommend trying that at home). Anti-Cementism

We don't have concrete proof, but it seems some of Madman Muammar's henchwomen have been terrorizing construction projects for new banks and media outlets, which they claim are controlled by the Zionist

No Laughing Matter

Madison, Wisconsin—It seems a legal brouhaha may soon develop over the Constitutional right to tell AIDS jokes. A letter from the Equal Opportunities Commission, sent to hundreds of Madison businessmen, claims that AIDS jokes told at work could be construed as a form of harassment. Lawyers in Los Angeles and West Hollywood, California, are making similar claims. Others maintain that AIDS jokes are a protected form of free expression, and cite the sometimes-therapeutic effect of black humor. And, according to Berkeley folklore professor Alan Dundes, the only way to put an end to them will be to find a cure for AIDS.

Giving Until It Hurts

Sussex, England—Schoolteacher Kevin Anderson said he was just looking for a novel way to hit upon students for charitable donations. Each time he smacked one of his 12- to 13-year-old male pupils on the rear

with a moccasin, he would give a penny to the "Save the Children Fund." If a student allowed him to use his hand, the donation amounted to three cents in American currency, and a beating with a wet slipper was worth 15 cents. Anderson has been fined \$1,200 on assault charges. Authorities were not convinced that his motives were altruistic, since he videotaped the spankings for his later viewing pleasure.

Educational TV

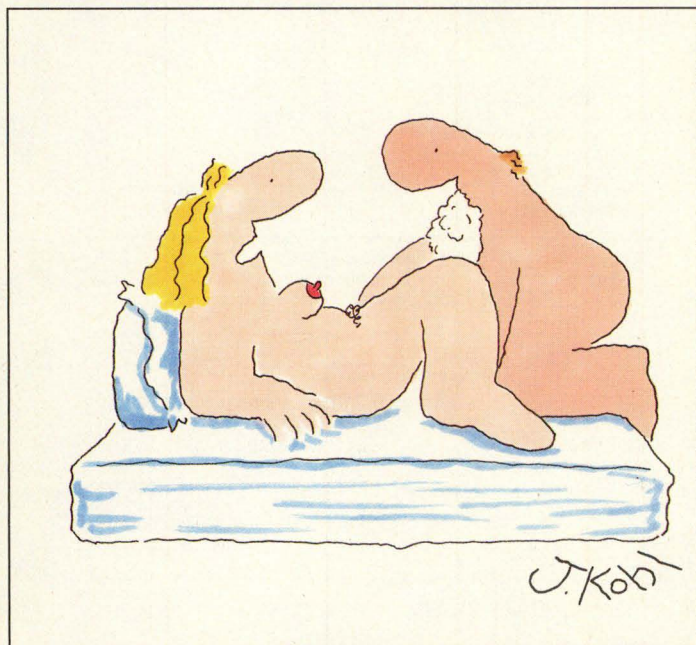

Mexico City, Mexico—Like their American counterparts, Mexican soap operas are big on steamy sex. However, they're much more concerned with the consequences, due to pressure from the National Population Council to use the "soaps" as a means of spreading the word about birth control. The typical romantic twosome on Mexican TV has to contend with a houseful of babies, the result of their amorous activities. Plotlines are now resolved when couples vow to take preventive measures

to avoid further pregnancies. Probably wouldn't play all that well on *Dallas* or *Dynasty* though.

It's a Living

New York, New York—Taurel describes herself as a "psychodramatist," but her ads sound like good old-fashioned domination. With the aid of therapeutic equipment—whips, leather thongs, meat tenderizers and spiked boots—Taurel encourages men to submit to her. Her cable-television ads emphasize that no sex is involved, and the process is evidently intended to do some psychological good. In the case of one patient, for instance, she recalls, "The moment I pushed his face into the dog food, he realized his whole past. His father, a veterinarian, never gave him the love he needed. He gave it to their dogs." Well, she's no more expensive than an ordinary psychiatrist, though there is a \$30 pre-session interview performed to weed out the kooks.

X-RATED FILMS

Edited by Doug Oliver

Millions of adults watch X-rated movies; yet most publications have constantly ignored the obvious need to inform the public as to which films are ripoffs and which ones aren't. *HUSTLER's* reviews of hard-core erotic films have long been regarded as the yardstick of the industry. We take this function seriously, and we'll continue to keep you abreast of the latest adult-film releases, and also do our best to spur porn producers on to even better productions.

Lust on the Orient Xpress

 *Half Erect. Produced and directed by Tim McDonald; written by Tim McDonald and Preston Underwood; starring Gina Carrera, John Leslie, Tracey Adams, Pat Manning, Jamie Gillis, Kelli Richards, Eric Edwards, Francois Papillon and Paul Thomas. Running time: 100 minutes.*

Lust on the Orient Xpress is 20

minutes too long, has too small a cast, a plot that's almost too complicated to understand and makes the mistake of confusing lavish production values with eroticism. Gina Carrera, John Leslie and Tracey Adams may get top billing, but the star is a train. This is one of those films that the adult-entertainment industry turns out every so often to dazzle itself into believing it can compete with Hollywood.

Admittedly, for porn, *Lust* is a remarkable achievement, but as you watch it and admire its elegant costumes, authentic coach-and-dining car interiors, and perfectly synchronized rear-projections of the countryside whizzing by outside the windows, you might find yourself asking some of these questions: "When is this taking place? Why are these actors wearing such funny clothes? Why are so few people having sex? Why are they not more attractive? What is this about? How long have I been asleep?"

As for the story, Leslie and Carrera play a married couple who, plumb out of plots for the erotic mystery novels they write, take a ride on the famous Orient Express to get some fresh ideas. On board they meet exactly the

Orient Xpress: John Leslie's sex-engine chugs through Tracey Adams's alps.

characters you'd expect to meet in a mystery novel: a pasha (Jamie Gillis) from the Near East and his entourage, an out-of-work Hollywood actor (Eric Edwards), and an aging, down-on-her-luck English Lady (Pat Manning) and her secretary (Adams). The pasha has a diamond; the diamond gets stolen (or does it? and is it a copy or the real thing?), and, after 95 minutes drag by, Leslie attempts to make sense of everything a la Hercule Poirot.

Of the obligatory sex scenes necessary to qualify *Lust* as a bonafide fuck film able to win Best Costume and Set Design at next year's Erotica Awards, only two are of more than passing interest: a sensuous, well-paced encounter between Carrera and Francois Papillon, and the final threeway in which Kelli Richards says to Leslie, "No! I must remain a virgin until I marry, but you can penetrate me here"—indicating her ass—so he butt-fucks her.

The elaborate, cartoon-style opening credits and musical score are quite impressive, as is the general level of the acting—Paul Thomas is outstanding in a comic, non-sex role—nevertheless, 100 talky minutes makes for a long, long ride. —D. O.

Dark Angel

Three-Quarters Erect. Produced and written by Pablo Cairo; directed by Peter Van Der Bilt; starring Jamie Gillis, Desiree Lane, Lynx Canon, Martina, Blair Harris, Jon Martin, Don Fernando, Gayle Sterling, Lynn Francis, Tigr, Francois Papillon,

Nick Niter and Phaedra Grant. Running time: 79 minutes.

Although this 1983-produced film did not see release until the end of 1986, two groups of adult-cinema connoisseurs will welcome its belated arrival: porn cultists (the *Corruption/Smoker/Night Dreams/Cafe Flesh* crowd) and Jamie Gillis fans—for this is arguably the blue-movie vet's most powerful and convincing performance ever.

Gillis plays Lee Keller, an arrogant, super-successful, fast-living San Francisco businessman who, while driving home from a party one night, sees a beautiful blonde standing alone on a residential street corner. When he tries to meet her, however, the girl disappears, as she does several times later—from a sidewalk cafe, other street corners, even an orgy in his own house. Obsessed by the girl

and tortured by his inability to reach her physically, Keller tries to distract himself by descending into the city's bizarre S&M underworld. In one remarkable scene he sneaks into a mental hospital where he is raped by five psychotic women in strange makeup. The choreographed sex is almost violent, but extremely erotic. Elsewhere on his moral descent into hell, Keller observes one of his girlfriends (Lynx Canon) being gang-banged in a garage by three men. This severely intense scene may be difficult for some to stomach. Nevertheless, it is stylishly photographed and totally convincing.

Ultimately, Keller does meet his devil on a deserted beach, and Ms. Lucifer (now-retired plati-

Dark Angel is the perfect vehicle for Jamie Gillis's maniacal style. He doesn't just act this part, he *lives* it. Not for all tastes, this movie is worth a peek, even if it's just to watch Jamie fuck the devil—a desire the talented actor no doubt has in this world too.

Crazy With the Heat

Half Erect. Produced by Bernardo Spinelli; directed by Robert McCallum; written by Rinse Dream; starring Joanna Storm, Eric Edwards, Tantara, Tamara Longley, Shanna McCullough, Shone Taylor, Steve Drake, Kristara Barrington, Buck Adams,

num princess Desiree Lane) gives him a hellish fuck, one that, unfortunately, he can never forget.

Janette Littlelove, Renee Summers, Bobbie Blake, Ron Jeremy and Frank Hollowell. Running time: 84 minutes.

Crazy With the Heat is a so-so film that could have been great . . . well, near-great anyway. Though scripted by the inventive Rinse Dream (best known for *Cafe Flesh* and *Nightdreams*), the opportunity to create a visually interesting, sexually compelling movie was passed over in favor of a nicely photographed, run-of-the-mill, one-house-location picture—the backbone of one- or two-day shot-on-video features. If any film in recent months cried—no, screamed—out for daring sets, intricate lighting, adventuresome cinematography and imaginative direction, this one did. It's a nice, safe film. It should have been nasty. Blame it on economics. Blame it on the director. Blame it on the producer.

Jamie Gillis swaps his soul for a roll with Dark Angel Desiree Lane.

Blame it on low-aspiration video's powerful influence. Blame it on the bossa-nova.

The plot focuses on computer designer Laura Welton (Joanna Storm), who, in the midst of signing an important contract, goes sexually berserk and is carted off to an "asylum for the very horny" run by Miss Veltine (Tantala). The next morning Miss Veltine demonstrates the electronic device with which she keeps her patients under control. Sure enough, the minute she switches it off, the patients being observed (Shanna McCullough, Shone Taylor and Storm) jump each other's bones. Storm, in particular, is like an animal in rut. Ordering McCullough off Taylor's cock, Storm dives on it and sucks that mother as only she can.

It turns out that Laura's husband, Bill (Eric Edwards), is a lousy lay, and she'd been channeling her frustrated sexuality into her work until that fatal night she went crazy with the heat. It takes some soul-searching on Bill's part, plus a perfect blowjob from Tamara Longley and a brave excursion into Tantala's moist recesses, before he has the confidence and determination to give Laura the fuck that cures her . . . maybe.

Considering the theme, and the sexual abilities of the performers—Storm, of course, is a miracle; watch also for some good cocksucking and pussy munching by Janette Littledove and Buck Adams (no cum-shot though), and the surprisingly erotic Tantala/Edwards coupling—it's a shame that *Crazy* was

given such middle-of-the-road treatment. *Crazy With the Heat* could have been a strong, provocative film instead of the videocloned it is.

Down and Out in New York City

Totally Limp. Produced by Sonny Francis; directed by Jack Remy; written by Al Wayze and Hugh Jorgan; starring Buck Adams, Danielle, Annette Heinz, Ashley Moore, Virginia Paymore, Joey Santini, Geana Fine, David Scott, Nina Preta and Lady Ashley Liberty. Running time: 84 minutes.

Barring the last minute appearance of a monumentally disastrous production, this pathetic

turdball is without a doubt the hands-down stinker of the year. Totally devoid of production values, acting talent, pretty faces (oh, sure, Danielle's in it—for a whole eight minutes!), listenable music and, most importantly, even a scrap of erotic sex action, *Down and Out* couldn't be more aptly named.

Buck Adams is a bum who's saved from the streets by guru-influenced Annette Heinz. She's been told by her mystic seer (Joey Santini) that helping someone less fortunate will reignite her flagging sex drive. So Adams comes home to Heinz and her hubby (Ashley Moore), proceeds to pop their daughter's cherry, and somehow—probably through his (gag) magnetic presence—gets Moore and Heinz's tired marriage back in the black, sexually speaking. Oh, hell, there's no point in going on about this stupid story.

Here's why the film is so butt-awful: First, the sex scenes are all alike—one listless, boring, standard fuck 'n' suck after another; no creativity, no heat. Second, Buck Adams is fast replacing Ron Jeremy as the most obnoxious pseudo-stud in XXX today—his caricature features and exaggerated mannerisms grind on the nerves like the Chinese water torture. Third, the editing and pace of *Down and Out* are third-rate, and the photography is not much better.

There's more, but time and space are limited. Let's just say that *Down and Out in New York City* is the type of porn film that makes videotape look good.

PORNPOURRI

Edited by Doug Oliver

Adult entertainment has diversified. Videotapes produced exclusively for home viewing are now being manufactured and can be purchased at this country's nearly 50,000 video stores, or through scores of mail-order companies. To help you sort out the best from the rest, HUSTLER provides these capsule reviews of the newest X-rated home videos, as well as the latest happenings in the world of erotic entertainment.

Top Buns

(Electric Hollywood) Despite the derivative box art and title, this video has absolutely no similarity to mainstream smash *Top Gun*. *Buns* is a subpar tape that sorely needed a marketing gimmick. Liz

Randall plays a hung-up bitch who receives an enchanted slot machine that gives off flashing visions of sexuality when its handle is pulled. This device results in four straight boy/girl fucks and two solo femme masturbations. Though Blake Palmer does

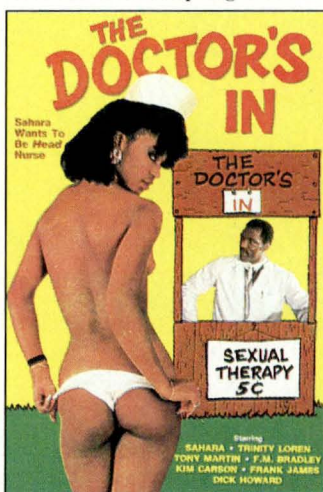

a decent dog-dorking of Buffy Davis, and Marc Wallace and Tami White whip up a wienie whirlwind, that only adds up to two scenes of interest. Furthermore, *Buns* is by no stretch of the imagination an anal tape. There is some good sex in this, but there's much more of it in most other tapes on the market.

—Christian Shapiro

The Doctor's In

(Cinderella Distributors) Although *The Doctor's In* is as routine as porn can get, it does feature two outstanding blowjobs—something we don't see nearly enough of. Oh, there's plenty of dick-sucking going on out there, but sucking does not necessarily a blowjob make. Here, however, we get the real McCoy. Leading lady Sahara uses her lips and tongue, with some jerking fingers thrown in, to coax some heavy spurts of cum from Frank James in the video's first scene, and later from Tony Martino in the front seat of a car. These are blowjobs in the true sense of the word. For big-tit lovers, there's

Trinity Loren, who looks good but never gets fully aroused—although she does seem to enjoy bouncing on Field Marshal Bradley's big black cock during the final sex scene. Aside from Sahara, who has a taut body, the best sex is a coupling between

real-life lovers Dick Howard and Kimberly Carson, who has one of the best butts in the business. As for the rest, it's fast-forward with a vengeance.

—Scott Mallory

And I Do Windows . . . Too!

(Plum Productions) This window-washer's fantasy features some of the *real* sex captured on videotape. Porn veteran John Leslie, who over the years has established a reputation as a physically and verbally aggressive sexual partner, meets his match in newcomer Elle Rio, who begins her scene with him like a volcano in the process of erupting. Rio, consumed by sex, comes on so strong, it takes both Leslie and Joey Silvera to subdue her. This threeway, which includes a double pussy-penetration—a definite surprise for Rio—is one of the hottest in recent memory. Other notable couplings are the very passionate porking of sweet Candi Evans by Leslie—whose eagerness to fuck this delectable piece gives *enthusiasm* new meaning—and Gayle Sterling's oral encounter with Leslie's prick. Sterling is a truly superior cocksucker who, when Leslie is about to come (no-hands style), obligingly sticks out her tongue so he can rub against it, and she receives as thanks a faceful of fuck fluid.

Krista Lane, one of the few people whose appearance improves when she wears glasses, gets a terrific fucking from a new stud (Rex Nemo), whose stamina and hardness are inspiring. Though the plot is sometimes puzzling and the quirky humor is not always successful, *Windows*' powerful additive—sex—is guaranteed to provoke a preponderance of pud-polishing.

—Bill Butler

Joanna Storm on Fire

(Tamarack Productions) This fuckvid gives Joanna Storm a chance to strut her sexual stuff, and she comes through in a blaze of cock-stiffening glory. After watching Joanna in action, you may never be satisfied with a "normal" blowjob again. Grab your woman, sit her down in front of the TV and fast-forward to the scorching cocksucking session between the blond dynamo and Ron Jeremy. This isn't just a prelude to fucking, this is a full-blown, Oscar-winning gonad-gargle by Ms. Storm. She slams Jeremy's massive dick into the far reaches of her throat, jackhammering it in and out. She attacks it like a dog grabbing at an old sock, shaking her head wildly back and forth and up and down, giving Ron's old argyle the ride of its life. Storm's vocabulary of cocksucking techniques is seemingly endless, resulting in a marathon of biting, sucking, licking, teasing, jabbing and slamming—a real B.J. endurance test, all done, incredibly, in look-ma-no-hands style. It's astounding that Jeremy lasts long enough to fuck her from behind after this searing 15-minute workout. Oh, there is a

Delectable Candi Evans's polishing job is only one of *Windows*' highlights.

plot to *Joanna Storm on Fire*, but pay no attention to it. The tape's best scenes—and the blowjob described above is only one—have nothing to do with what's in the script.

Swedish Erotica Vol. 70

(Caballero Home Video) Swedish #70 features four hot broads and three slo-mo cum-shots from the prick of Kevin James, the sole male in the two loops in this package. First, James pleasantly dicks dark Mauvais DeNoire, applying

a few squirts of sticky, thick lip gloss. He then has an intensely intimate, passionately sensitive love twist with Tracey Adams. In the second half, Taija Rae (whose pert nose is achingly fetching while snuggled into pubic hair, be it male or female) seduces boyish bitch, Chelsea. James comes along, and the girls trade sucks and fucks on his pole, highlighted by Rae licking clit and dick as James plunges through Chelsea's pussy lips. *S.E. 70* is an attractive addition to a tradition of quality.

Unnatural Phenomenon

Directed by Henri Pachard.

Starring Danielle, Tom Byron, Joey Silvera, Careena Collins, Paul Thomas, Alexis Greco, Annette, Jerry Butler, Gayle Sterling, Jon Martin and Alphonse.

Videocassette by Western Visuals.

Thanks to a first-rate cast, sizzling fucking, compelling camera work and an excellent script, this is one of Henri Pachard's steamiest meatbeaters in many a moon. Billed as "Part I," *Unnatural* tells the story of Gene/Jean who, for some unknown reason, changes sex every 28 days. In addition to being painful, this freak physiology makes for a very complex lifestyle. As Jean, Danielle burns up the screen in her scorching scenes with Paul Thomas and Jon Martin. But it's Tom Byron as Gene who walks away with the show. His agonized transformations are totally convincing and his sex scenes, particularly one in which he rims

Alexis Greco (top) and Danielle (above) are truly phenomenal.

Careena Collins's asshole, are of equal caliber. Technically above-average and well-acted, *Unnatural* is peppered with great moments, such as the goofy-looking Alphonse watching his wife (dynamic Alexis Greco) taking on all comers to demonstrate how she wants him to fuck her. This is one of the videos that you'll wish was longer than its 73-minute running time. What's crammed into that short (for sexvids) time, though, is enough to pop more than a few pints, and keep you in eager anticipation for *Unnatural Phenomenon II: The Carnal Climax*.

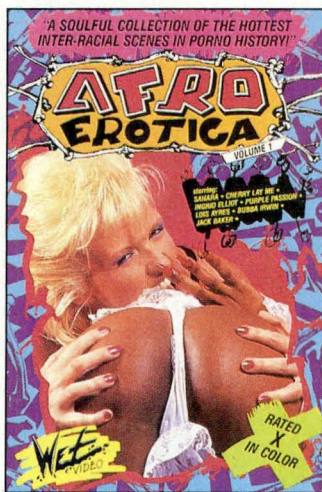

—Sam Lowry

St. Clair and Tess Ferre are the wives who find solace in licking each other's cunt and getting dorked by repairman Michael Jeffries. Down at the office, secretary Sue Lion shaves her pussy prior to having it stuffed by the cocks of Adams and Shone Taylor. Back home, St. Clair is still draining Jeffries when hubby Buck walks in and slides his dick up her ass while Jeffries's cock probes her twat. Snatch-shaving, two double-penetrations and titillating dick-licking highlight this production in which the heat, for the most part, is on simmer.

—Sam Lowry

Afro-Erotica, Volume 1

(Wet Video) Wet's bright idea of collecting some of their best fuck scenes involving African-Ameri-

can gonads and rereleasing them in a one-hour, no-frills, dark-thrills package, doesn't quite live up to its promise. Unfortunately, some of the pale studs seem less enamored of ebony poon than is the target audience for these videos. There's a lack of rock-hardness, and Billy Dee seems to shoot a helluva lot more jizz for white women than he does for the darker breed. On the plus side, however, there are generous globs of milky goop on dusky behinds, boobs and faces; Sahara straps one on and dildo-dorks her old man while Marc Wallace slam-fucks her asshole; and Penny Morgan, the Belinda Carlisle of porn, looks stunning with a thick-veined black eel sliding into her mouth—even if it does bend. *Afro-Erotica, Volume 1*, beginning as a dream of greatness, is in the end, adequate. —C. S.

Seemingly harmless middle-class neoreligions to so-called satanic rituals share similar patterns of membership induction and control. This firsthand investigation of the New Age Movement reveals its frightening secrets.

New Age CULTS

Report by Scott Metzger

Something terrible is happening in the world today, something only hinted at in your darkest nightmares. Unfortunately, it is frighteningly real. Consider:

- In the Sierra Nevada foothills of Northern California, police uncovered the camp of a group of survivalists, where countless kidnap victims have been tortured and murdered. A close associate of one survivalist told police that the atrocities could be blamed on an unnamed cult in San Francisco. An investigator later remarked that the scene reminded him of Nazi concentration camps.

- ABC-TV's *20/20* included a segment on the

current phenomenon of devil worship among American teenagers. It showed young children talking about sacrifice and murder during satanic rituals. One seven-year-old described how he was forced to stab his friend by a group of older Satan worshipers, who told him to do it or receive the same treatment.

- Eight people filed suit against the World Healing Center in San Diego for harassment and sexual maltreatment during weekend "rebirthing" sessions. (Rebirthing is popular among proponents of the New Age Movement as a method for elevating consciousness and ridding oneself of past hangups.) The suit charges that the plaintiffs were

NEW AGE CULTS

Each cult is totally dogmatic—theirs is the “only” or the “true” way.

“diapered, gagged, and forced to sit for hours in our own urine,” and that they were severely beaten for “resisting the Holy Spirit” during the sessions.

The above items aren’t clipped from the National Enquirer, but from wire services and/or major newspapers. Chances are that if you open your paper today, you’ll find similar stories.

The Rise in Cultism

At a Berkeley seminar by the Spiritual Counterfeits Project, Denver policeman Mark Roggeman talked of the recent upsurge in occult activity. “I’ve been researching cults and the occult for about ten years,” he said. “Back when I began, I tried to convince the department to have a couple of officers work specifically in this area. They thought I was crazy. But, as the years went by, the number of calls regarding animal mutilations and child sacrifices increased to an alarming degree. Finally, they were forced to admit that something weird was going on out there. Today,” Roggeman says, “just about every police department has to work on occult cases.”

“Lately there’s been a phenomenal

upsurge in occultism,” said Jack Roper, a researcher at the Christian Apologetics Research and Information Service (CARIS). Roper estimates that there are over 40,000 practicing witches in America today, and perhaps three times that many Satanists. (The number of Satanists is more difficult to obtain because of their secrecy.)

In addition to Satanists and witches—the radical fringes of today’s occult revival—there has been a huge rise in membership in cults of all types. More people are joining cults today than ever before.

Defining the Cult

Although difficult to define, cults can be identified fairly easily by a number of common traits. People gather around a leader who purportedly has “wisdom,” which is often secret and only gradually revealed to new members of the cult. Each cult is totally dogmatic—theirs is the “only” or the “true” way. A cult encourages the idea that the material world is illusion; however, if you learn the proper techniques, you can manipulate certain portions of the illusion—like

money—for your benefit. A cult demands total commitment.

Cult members tend to speak with “loaded language”—their vocabulary is chock-full of buzzwords familiar only to them. It gives members a way to recognize one another and to engage in doublespeak with outsiders.

Cults for Everyone

Some of today’s more widely known cults include Rajneesh, Hari Krishnas, 3H (Healthy, Happy, Holy), Scientology, the Unity Church (Moonies), the Church Universal and Triumphant, the Children of God, Nichiren Shoshu Buddhism, and the Jehovah’s Witnesses.

Besides these high-profile cults, literally hundreds of other groups are springing up which—because of the indoctrination techniques they employ—can be defined as cults. These include consciousness-raising groups (est—recently renamed the Forum—Arica, Lifespring), esoteric religious systems (Theosophy, Rosicrucianism, Knight’s Templarism), mind-science practices (Christian Science, a Course in Miracles, TM, Silva Mind Control), mind-body therapies (polarity therapy, rolfing, primal scream, guided imagery, rebirthing) assorted gurus (Sai Baba, Roy Masters, Ram Dass, Brugh Joy), political groups and organizations (Lucis Trust, Friends of the Earth, the Illuminati), UFO cults (Solar Light Retreat, the Mark Age Metacenter), and various psychotherapy cults (the Center for Feeling Therapy).

Members of these groups would argue that they have nothing to do with one another, but a glue does bind them. The common promise of any of these cults is that a person will evolve (through various incarnations, perhaps) to ever-higher levels of consciousness, ultimately attaining perfection.

They can also be commonly identified by a name which they themselves have coined: *The New Age Movement*.

Pod People

Malibu, CA—It is a Sunday afternoon, New Year’s Day, and hundreds of people are milling around the grounds of Camelot, the spacious, well-kept grounds of the Church Universal and Triumphant, a cult headed by Elizabeth Clare Prophet—better known as Guru Ma.

Outside a hastily erected tent, a message is scrawled on a chalkboard. *Speaking Today: The beloved Master Jesus, 2:15. The beloved Hercules and Amazonia, 3:30. The beloved Lord Maitreya, 5:30.* Inside the tent, people seated on folding chairs watch two tiny video screens, on which Clare Prophet is in the midst of one of her dictations—an undecipherable stream of verbiage. Her voice is a numbing drone. As it speeds up, it raises a notch in pitch. The people stare fixedly at the

“Why don’t you admit it, Marlene. You think sex is dirty!”

"I swear, Daddy—if I stay a virgin much longer, you'll be able to drive a truck up my ass!"

NEW AGE CULTS

"I thought I was gaining freedom of mind, but I got heavier and heavier doses of brainwashing."

TVs. They begin chanting along with Clare Prophet, the group drone increasing in volume and fervor.

Walking around on the grounds of Camelot, one can't help but notice something rather curious about the people there. Their faces look waxy, as though they'd just been buffed with a floor polisher. Many of them smile (or make decided efforts to smile), yet their eyes look glazed-over, dead.

In the cafeteria they gobble heartily from bowls filled with a vile-smelling slop. Outside the cafeteria the hallways are lined with drawings made by the children who attend the Montessori school on Camelot's grounds. Each drawing is identical—a candle which emanates a rainbow-hued flame. The rainbow emanation is a common symbol of the Church. Underneath the crayoned drawings, the children have printed little memos, which is also evidence of the conditioning they are undergoing: "I am the faith of God." Signed, Chris. "I am the kindness of God." Signed, Mark. "I am a child of the beloved Jesus, Buddha and Lord Maitreya." Signed, Laura.

Hypnosis for the Masses

Generally, some form of meditation or chanting (or both) is employed by most New Age Cults. The object is quite simple: to bypass the intellect. That makes the indoctrination process used to condition new members much easier.

High-speed chanting (called "decreeing") at the Church Universal and Triumphant is purportedly a vehicle for raising the level of consciousness of the Guru Ma-ites. However, said Randall Charles King, ex-church member and former husband of Clare Prophet, "We used it (decreeing) in disciplinary situations as a control factor. If somebody was a little rebellious, you'd have him do a couple of hours of *astreyas* [chanting], and when he'd come back, he'd be a perfect little robot."

Love Bombing

Before the hypnotic process is employed, a potential cult member first receives heavy doses of "love bombing," or lots of positive feedback—telling the person how wonderful he is, what a beautiful soul he has, etc. At the same time, the inductee is gradually and systematically

being programmed to become dependent on the cult. Inside the group, he is accepted, but the outside world—the cult tells him—will subject him to judgment and criticism. There is a firm line between the cult and the outside world, which has been labeled "illusion," or "evil."

Along with abandoning the outside world, the cult member is often asked to turn over all personal possessions to the cult. Sensory deprivation—lack of sleep or inadequate food—keep the inductee in a "receptive" frame of mind. Heavier and heavier doses of meditation and chanting soon implant a new mind-set in the follower. The questioning part of his mind—the dreaded intellect—has been gradually rendered dysfunctional. He has become a Pod Person.

Voices from Beyond

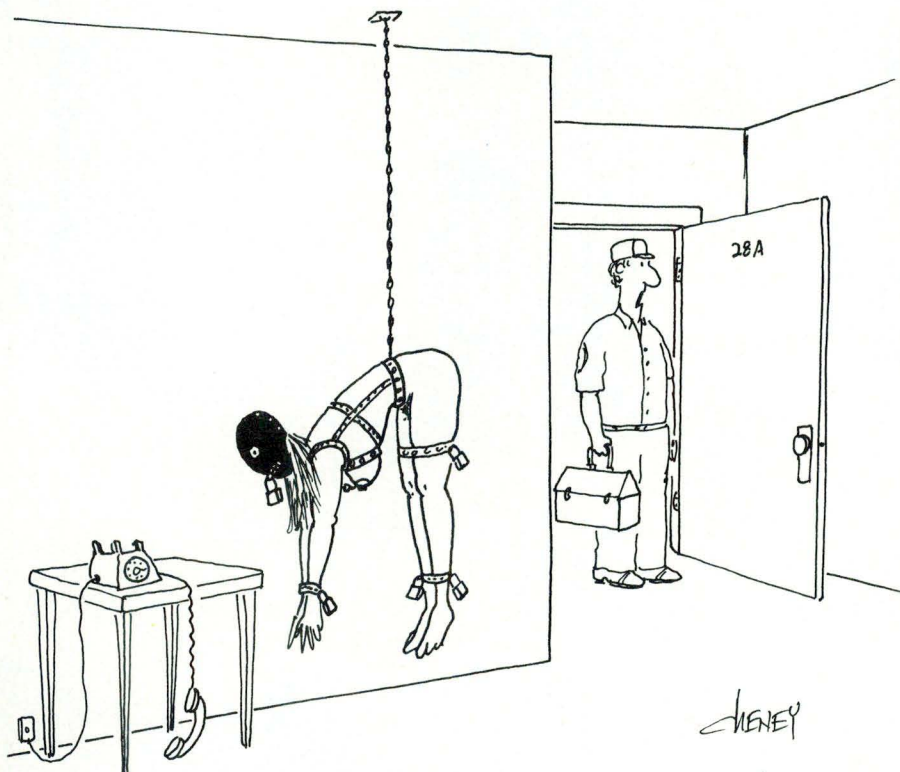

One of the newest and most popular New Age cults is known simply as *Ramtha*. Ramtha is, purportedly, a 35,000-year-old entity from the lost continent of Atlantis who channels (that is, speaks through) the person of a housewife named J. Z. Knight. Knight claims that Ramtha simply "entered" one day, while she was in the kitchen experimenting with pyramids. Now she can induce his presence at will, much to the delight of Ramtha followers who take her every word as gospel.

One of the prime spokespersons for Ramtha is none other than Shirley MacLaine, who has, because of her notoriety, become one of the most powerful spokespersons for the New Age Movement. MacLaine's best-selling books *Out on a Limb* and *Dancing in the Light* are helping to indoctrinate thousands of people into New Age belief systems.

On the surface, Ramtha's message—dictated at hefty prices ranging from \$400 a pop for viewing Ramtha via video, to retreats for \$100 per person—is one of a coming joyous world full of happy, enlightened people.

Carey Klinger, a 27-year-old woman from North Dakota, was deprogrammed from the Ramtha cult last year. Klinger became involved in Ramtha initially as a means of getting out of another cult known as Empyrean Rebirthing. "I thought I was gaining freedom of mind," Klinger recalls, "but what I got instead were heavier and heavier doses of brainwashing."

Klinger moved near Yelm, Washington—Ramtha headquarters—where she lived among a group of other Ramtha-ites. Klinger recalled, "When we weren't listening to dictations, we were listening to Ramtha tapes. Sometimes it went on 24 hours a day. You wind up walking around in a total trance."

"Hello? Hello? Somebody here call for a locksmith?"

Candi Evans

COOL DIP FOR A HOT STAR

A fresh new face can make a splash in adult films if she fills a spot in viewers' wet dreams. Newcomer Candi Evans brings a delectable body and delightful sexual abandon to the blue screen, as she showed in triple-X scorchers *Born to Run* and HUSTLER Video's *Forbidden Bodies*. Her body is like a cartoon caricature of the pert-pupped, bubble-buted sleek and tan sex machine who dwells in every American man's perverted imagination. Candi's almost-virginal demeanor just adds to the pelvic pressure audiences experience when they view this innocent young thing fuck and suck like a sperm-starved nympho. From her flawless asshole to her blond hair, there are plenty of reasons why everyone's sweet on Candi.

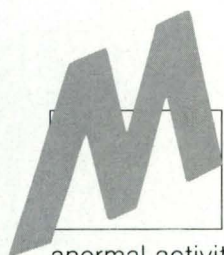

OUT OF THIS WORLD SEX

by BRAD STEIGER

Many people who claim they've experienced out-of-this-world sex might be referring to more than just a great toss in the sheets. A great deal of paranormal activity, from poltergeists and various types of hauntings, to prophecy and certain kinds of mediumship, may either function simultaneously and in connection with sexual expression, or be a byproduct of sexual frustration.

To say that sex and psychic ability often co-function is not to demean or discredit the validity of a meaningful mystical or spiritual experience. In fact, sexuality and spiritual expression have traditionally been linked in the literature of mysticism. Religious ecstasy seems strikingly similar to erotic excitement according to the accounts of the saints. Holy people of all religious paths speak of enlightenment in sexual images. *Rapture, passion, ravish, penetrate* and *consummate* are words often used to describe an otherwise indescribable experience.

There is a nonphysical capacity in humankind. We are more than simply physical beings and, of all the forces that move men and women, none is more powerful than love and sexual desire. This primal impulse has dictated some of the most astounding case histories in the annals of psychic research. All have an eerie similarity.

A coed at the University of Wisconsin falls asleep with a book in her hand. She feels someone or something enter her room.

"Whatever it was," she says, "it picked me up and tossed me in the air. I landed on the opposite side of the bed. The door to the bathroom slammed shut, and

I lay on the bed physically and emotionally drained. I lay there a long time before I had enough strength to get up. I was very frightened."

A 20-year-old career woman from San Diego, California, reports that one night, immediately after she turned off her bedlamp, she heard a peculiar buzzing around her head.

"It moved in circles," she states. "Then the buzzing seemed to have a man's voice, and it kept buzzing over and over, 'I love you! I love you!'"

"Whenever I turned the light on, it went away. The second I snapped the lamp off, it came back, buzzing around my head.

"A few nights later I had the weird sensation of someone getting into bed with me, and I heard the sound of breathing beside me. There was a stench like rotten seaweed, and I was so frightened that I couldn't move. The next day the bed was wet on that side."

Martha W., a legal secretary from Oklahoma City, says that it's her habit to take a hot bath immediately upon coming home from work, then loll about for a few moments in the nude, usually reading on her bed. She remembers lying on her stomach, doing her nails, with her feet sticking out over the foot of the bed. She had lain there for several minutes when she felt someone grab her ankles and turn her over on her back.

"Something invisible, yet of great strength, was doing its damn best to spread my legs apart," she says. "I fought against it with all my will. The struggle must have gone on for several minutes. Every muscle in my thighs was screaming with pain because of the constant tension; yet I wouldn't yield and allow my

genitals to be exposed in such a vulnerable position. At last the pressure ceased, and I lay gasping on the bed. My nail polish had spilled, but I had no time to worry about the mess.

"The foot of the mattress went down, as it does when a person sits on it. Still, I could see no one. My heart was thudding so hard that I could hardly breathe.

"Then I could just barely make out the figure of a man sitting at the end of my bed. Even though he was kind of handsome, there were dark circles under his eyes, and he looked like someone who had been dead for a long time.

"I couldn't make a squeak. Then the image smiled and reached out a hand as if to touch me. There was something about its eyes that seemed to make me want to stop resisting it.

"At last I found my voice and screamed at it to get out of my room and to leave me alone. Thank God, it disappeared, and it has never returned."

The mythos of the demon lover (*incubi* rape women; *succubi* seduce men) that ventures out of its ethereal lair to satisfy

its lust on human flesh can be traced back to ancient times and is found in all cultures. But claims of supernatural sexual molesters can't be relegated to a Gothic past. Many men and women today swear that they've encountered sexual offenders from the spirit world. The demon lover is as much a bedroom nuisance in the twilight area of our supermarket-and-space-age culture as it was a bedchamber violator in the superstition-saturated and sexually tortured Middle Ages.

Men and women who have paranormal experiences are by no means members of some esoteric or bizarre fringe group. A few months ago the Roper Poll showed that 50% of Americans believe in ESP and that 74% believe in an afterlife, a spirit world. A recent Gallup Poll revealed that one out of four Americans believes in reincarnation and that 43% had reported an unusual or inexplicable spiritual or religious experience. In reincarnation and past-lives workshops throughout the United States it's becoming respectable for the average American to admit his or her past-life memories.

Nearly 30 years as a psychological research-

er has taught me to keep an open mind about demon lovers, ghosts, aliens from UFOs and the entire repertory theater of "things that go bump in the night." Still, I wonder if the "spirit lover" might really be a self-directed personification of the dark, primitive aspect of each of our psyches.

Examine the "haunted honeymoon" of Bill and Janice. Bill describes their honeymoon as having been written by Abbott and Costello, choreographed by the Three Stooges, directed by Alfred Hitchcock and produced by the Marx Brothers.

The young couple checked into their motel on their wedding night, filled with all the usual anticipatory excitement and eagerness that only two people on the brink of a new life together can experience. Janice quickly changed into the negligee especially purchased for the event, and the lights were extinguished in record time. Within a few moments they were under the covers, the only source of illumination a blinking neon sign outside their window.

They had been separated for several weeks prior to the wedding, due to business commitments. "We were just about to begin in earnest what we had waited so long to enjoy," remembers Bill, "when we distinctly heard the sound of something on four legs running about the room."

It seemed as though someone had set a large dog loose in their room!

Bill managed to knock the telephone off the nightstand before he found the switch to a bedside lamp. Cursing, he swung his feet out of bed, preparatory to kicking the mutt out into the night.

"It doesn't take long to search a motel room and bath," Bill says. "I was unable to find a single hair of the dog that had interrupted us at the crucial moment. We decided that we must have heard a dog running around outside, and our anxiety had made it seem as though the beast was inside our room."

Out went the lights again. Bill took Janice in his arms and lost himself in her feminine charms.

He assumed that the sounds of heavy breathing were coming from his passionately aroused wife. But as the noise grew in volume and intensity, he concluded that there was a goddamned St. Bernard under their bed, panting like a steam engine.

The newlyweds lay quietly in each other's arms and listened to a breathing pattern that suddenly developed a bellows-like intensity and volume.

"It sounds like a damned monster!" Bill said, his voice much louder than he had intended. Not bothering to put on his pajama bottoms, he quickly jumped out of bed and crouched down to peer

As the mattress levitated, Janice knew what was going on in that motel room on her wedding night.

under the bedsprings.

Bill saw nothing under the bed, but he could still hear *it* breathing.

At this point the mattress began to rise in the middle and lift Janice with it. Bill threw himself on the mattress, attempting to hold it down, but his added weight didn't weaken the obvious intent of the invisible intruder.

"Please leave us alone," Janice sobbed. "Please leave us alone, Mr. Doodles!"

As the mattress levitated, Janice suddenly knew precisely what was going on in that motel room on her wedding night. Years before, as a girl of 12, Janice had provided the psychic-energy center for a violent demonstration of poltergeistic prowess that had shaken the small Midwestern town in which she lived. She had, of course, been *consciously* innocent, but she knew that she'd been in some way responsible for drinking glasses exploding, dishes flying against walls, and furniture sliding across floors. Somehow it had pleased her tremendously to see her big, strong, confident daddy frightened and confused. There was a bit of sadistic glee in seeing her cool and collected mom

clinging to sanity by a thin thread.

The poltergeist phenomena, which she had personified as "Mr. Doodles," left after she had survived the trauma of her first period and accepted her emerging womanhood. Now, for whatever reason, Mr. Doodles had returned to blight her wedding night.

Desperately attempting to explain to her husband about Mr. Doodles, Janice received a flash of insight. The phenomena first visited during her emotional stress regarding the onset of puberty. Apparently, whatever triggered such unwelcome disturbances was somehow attuned to her unconscious emotional state. She must have suffered more inner turmoil during the preparation for her wedding than she had realized. With clear resolve, she understood that there was only one thing to do.

"Janice read a few passages aloud from the Gideon Bible," Bill says, "and then we made love on the floor—as pictures fell off the walls, furniture danced around the room and the pages in the Bible flipped back and forth."

Janice's gasps and sighs seemed to

echo from a dozen different places in the room. "It was like making love in an echo chamber," Bill says.

The sighs continued to echo about the room, then, after a slight coughing noise, died away forever. The mattress lay still. The Gideon Bible closed its cover. The furniture ended its mad dance.

"The really positive thing that came out of our haunted honeymoon," Bill reflects, "is that Janice found out that she has a man who can really perform under fire!"

The poltergeistic phenomenon has an impressive repertoire of tricks and pranks, which range from tossing small objects and rapping on walls, to the materialization of human and beastlike entities. Tragically, the poltergeist can also turn cruelly inward and afflict its "energy center" with painful stigmatic attacks.

A doctor tells of a teenage girl who had bloody lashes across her back as if she had been flogged. Every member of her large, prudish, Fundamentalist Christian family denied striking the girl, and her parents were incensed that the doctor should even consider that one of their number might be guilty of such abuse.

The girl would tell the doctor nothing of the circumstances of her wounds, and he worried that a sadist might be loose in the city, going about flogging teenage girls. He deliberated about reporting the incident to the authorities.

Shortly after he returned to his office, the girl's mother called to report the appearance of additional wounds on the teenager's thighs. He told her mother to bring her into the office at once. Although he said nothing over the telephone, he was becoming convinced that the girl's patriarchal, Fundamentalist father had been whipping her for some infraction of Old Testament dogma. He felt that he must remove the girl from her home environment.

When the girl was seated in his office, he asked that her mother return to the waiting room. In the best tradition of the trusted family doctor, he offered himself as a father-confessor to the troubled teenager.

Within a few moments the girl told him the entire story. She had recently given her virginity to her persistent boyfriend. Although her passion and her biological urges had temporarily managed to smother her strict moral code, the girl was unable to view her sacrifice to Aphrodite so calmly in the cold light of the morning after.

The doctor was astonished to hear his young patient denounce herself as a loathsome slut, fit only to be whipped and spat upon. Her ruptured conscience had been working at an exhaustive, hy-

HUSTLER HUMOR

A traveling salesman, out on the road for two months, was beginning to feel lonely and horny. He stopped in at a bar, ordered a drink and asked the bartender what men did for fun around there. The bartender told him to go to the room at the top of the stairs and wait for Vanessa. He did. Soon the door opened to reveal the most beautiful black woman he had ever seen.

"Hi, I'm Vanessa, and I'm \$20," she said. Much to his dismay the salesman had only \$18, which he promptly offered. "Vanessa does not lower her standards for anyone," she said. "I'll send up Angela." A few minutes later a beautiful white woman appeared, took his money and treated him to a wonderful evening of pleasure.

Twenty-five years later, while on vacation, the salesman found himself in the same bar, talking to the same bartender. "Bet you don't remember me," he said.

"Sure I do," replied the bartender. "You're the guy who knocked up Angela 25 years ago. That's your son at the end of the bar. He's been in every night for ten years, hoping to meet his daddy."

The salesman went over to the boy and said, "Son, I think I may be your daddy."

The boy said, "Great! What's my last name?"

"Bardowski," the salesman said.

"Oh, no," said the boy, "you mean I waited ten years to find out I was a Polack?"

"Hey, kid," the salesman said, "it could've been worse. Two dollars more and you'da been a nigger!"

Farmer Bailey complained to the vet that his stock was not breeding. "Don't worry," said the vet. "I'll make up a sack of stuff that'll get them going. Send your man for it."

The farmer dispatched Zachary, his hired hand. On his way back, the fellow carelessly ripped the sack on some wire, and the stuff spilled across the fields.

That evening, Zachary rushed into the farmhouse and shouted, "Boss, the goat's doing the sow, the cock's doing the ducks, and the bull's doing the mare."

"Don't stand there like a fool. Get out and throw some cold water over them!" screamed the farmer.

"I can't, the donkey's doing the pump."

Question: Why are women like dog turds?

Answer: The older that they get, the easier it is to pick them up.

One of the networks was looking for an emcee to host a new game show called *Gross Out*. After interviewing dozens of identical jokers, a new guy was ushered in. "What can you do?" the producer demanded. The guy took off his hat and vomited in it. "So?" the producer said. "What's so special about that?"

The guy laughed. "Got a straw?"

Question: What's the object of a Jewish football game?

Answer: To get the quarter back.

After years of waiting, a social climber was finally admitted to an exclusive country club. Eager to become familiar with it, he went out early one morning and played nine holes of golf by himself. He was taking a shower in the clubhouse when he began to hear women laughing. Peeking out, he realized to his horror that he was in the women's shower room with only a towel! He thought, *I can wrap it around my waist, but they'll see my face and complain. Or, I can wrap it around my head so nobody will recognize me, and I can get out safely.* Letting out a yell of warning, he ran the length of the locker room, his head swathed in the towel. The ladies all stared in shock.

"Well, it's not my husband!" said one.

"Nor mine!" said a second.

"You know," said a third, "that guy is not even a member of this club!"

Question: What's the difference between a black fairy tale and a white fairy tale?

Answer: A white fairy tale starts off, "Once upon a time." A black fairy tale starts, "You ain't gonna believe this shit."

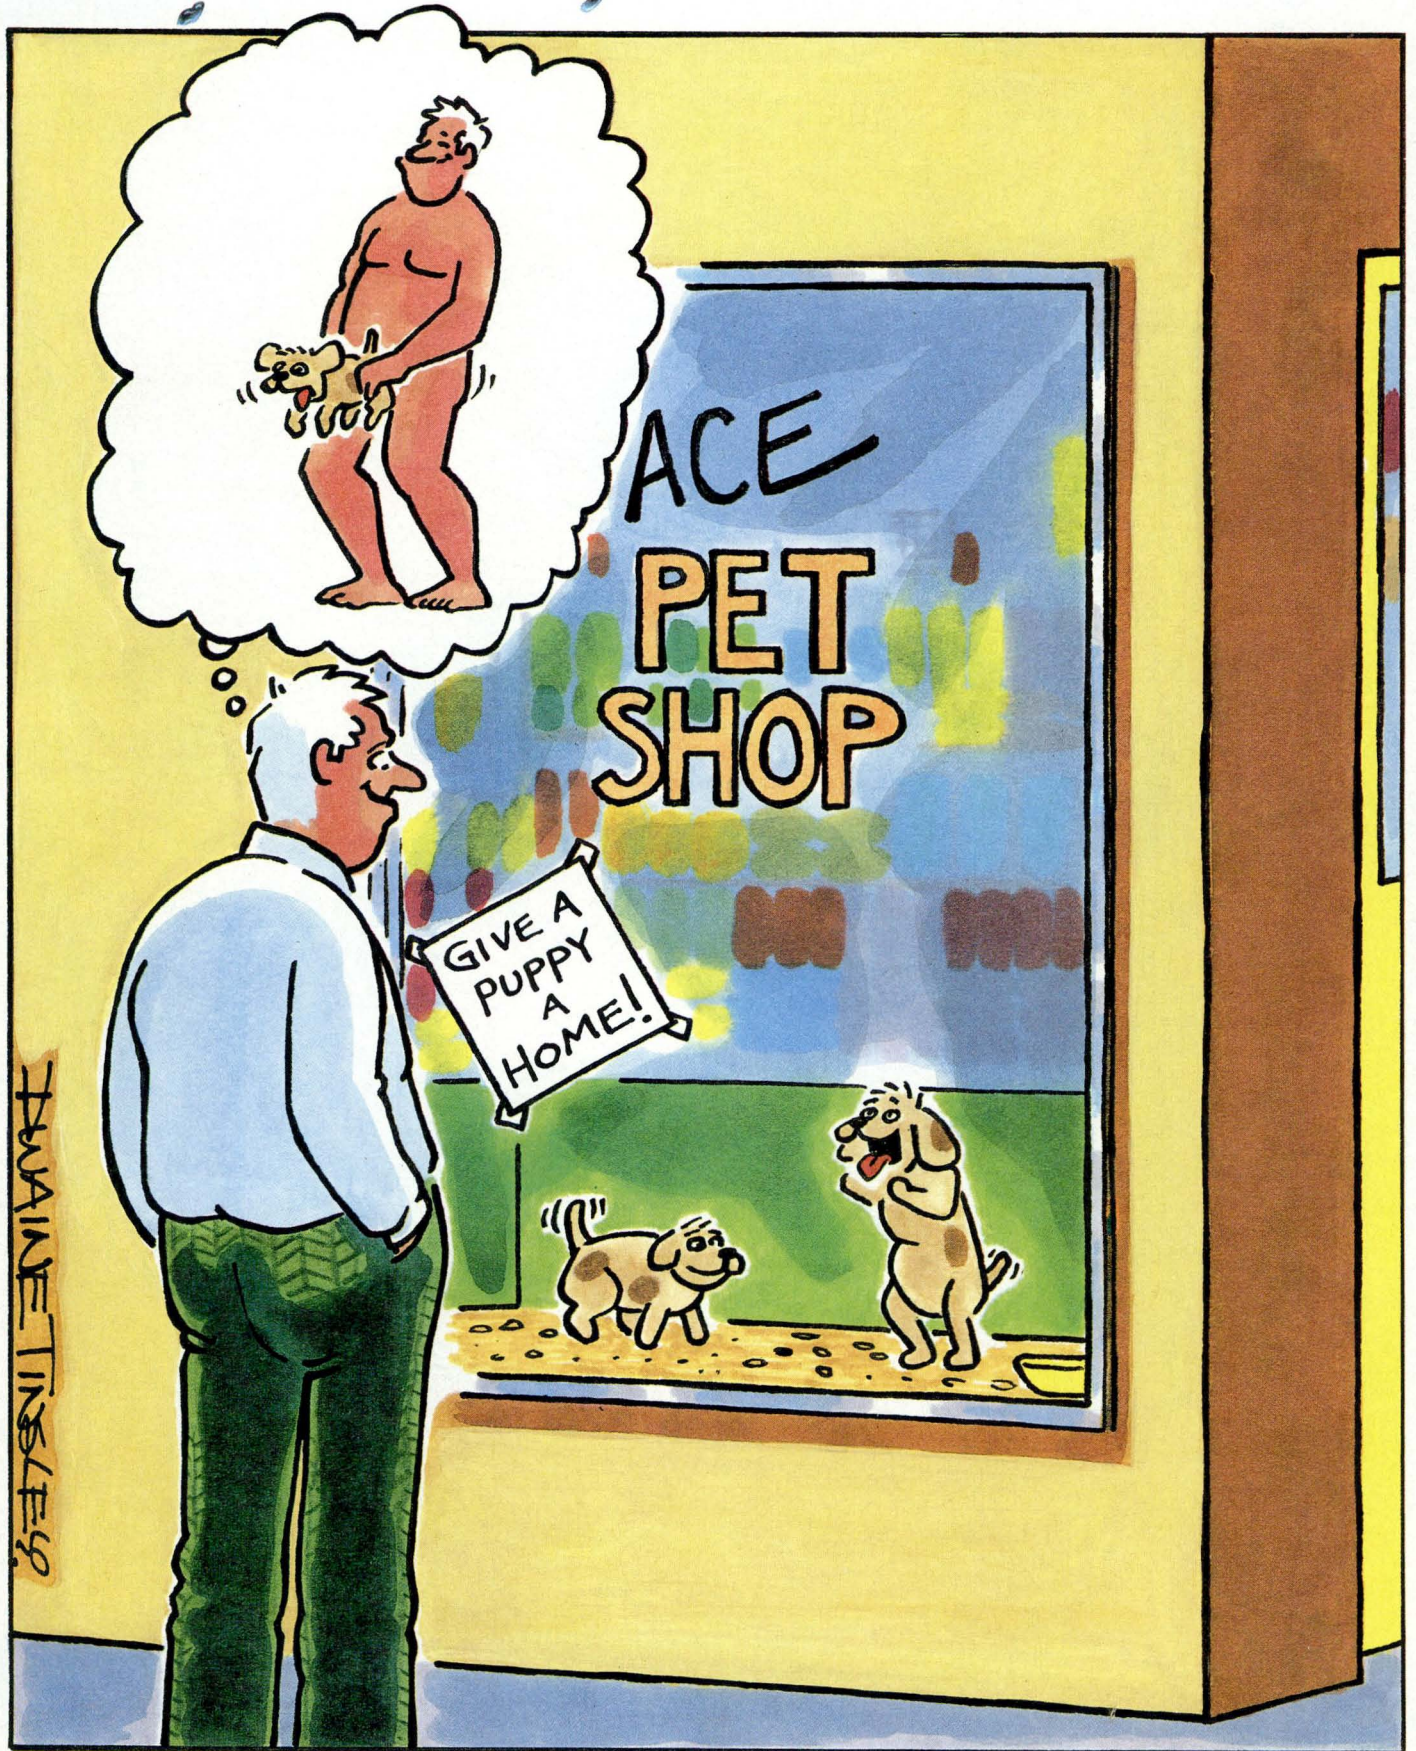

Sister Margaret and Sister Rose ran out of gas on the highway and flagged down a truck to help them. "I can give you some gas, sisters," said the truck driver, "but I don't have anything to put it in."

"That's all right," said Sister Margaret. "We do. Sister and I are returning from a nursing assignment, and there's a bedpan in our car."

The driver siphoned out some gasoline and then went on his way. The nuns began pouring the gas slowly and carefully from the bedpan into the tank of their car to avoid spilling any of the precious liquid. A man driving by slowed down his vehicle to see what the women were doing and then exclaimed, "Wow! Now, that's what I call faith!"

Ghester the Molester

FANGS

Fiction by Jay Ellis

I can't stand it anymore," Vanessa said. "I really need a cock!"

Heather nodded in silent agreement as she gently rubbed a thick glob of glistening suntan oil over Vanessa's taut breasts.

"Oh," Vanessa exclaimed with frustration. "If only that were cum! Good old cock cum!"

Heather sighed at this and began to rub the oil harder, pinching Vanessa's nipples erect.

The two girls were on the sundeck of a beach house just north of Oxnard on Pacific Coast Highway. The place belonged to Vanessa's boss, and he had let her borrow it during her leave of absence from work.

"Enjoy the place," he had said. "I never get the chance to get up there. You'll find everything you need. Just take care of yourself and feel better."

She hadn't felt better. Not even with Heather visiting for the last few days. Oh, Heather was an okay lover, but Vanessa was just about at the end of her rope. It had been nearly a year since she'd had sex with a man. Nearly a year of living in horny fear of AIDS.

Vanessa had become a true paranoid in her dread of the disease. She read all the articles and watched the news programs dealing with the subject. The media had literally scared her into heterosexual celibacy. She was almost convinced that just looking at a man could land her in the cemetery.

So Vanessa had settled on a life of abstinence. Abstinence from men, that is.

FANGS

Heather did as she was told. Faster and faster she rammed her clenched hand into Vanessa's juicy love hole.

But she really needed a fuck! A hot, throbbing cock bursting inside her. She'd had just about enough of dildos and all her other toys. She'd eaten enough pussy to satisfy her for a lifetime. She'd have given anything, *anything*, to gorge herself on cock. To suck it, to fuck it, to lather the sperm all over her face. To take it in her ass. To feel cum gush down her throat. But anything Vanessa could give would never be enough. AIDS seemed like even more of a menace now than it had ever been. Only the dyke life seemed safe, and she was sick of it.

Heather's tongue playfully slid down Vanessa's bronze belly. She still pinched and squeezed at Vanessa's nipples as she slowly raised her head. "Can I do anything else for you?" she whispered, her voice deep and lusty.

Vanessa slowly opened her dark eyes and looked down past her breasts to see her friend's eager face in the dimming light. Soon it would be night again. Another frustrating, horny night.

Heather's suntanned hand gently worked its way down to Vanessa's bikini bottom, slowly rubbing the residue lotion

away. Vanessa jumped slightly as a skilled finger prodded, then slipped between her now-moist-and-parted vaginal lips.

"Oh, baby, you're so wet," Heather purred. "What have you been thinking about?"

"What the fuck do you think?" Vanessa groaned.

Heather pushed a second finger deeper inside Vanessa, pulled Vanessa's bikini bottom down to her knees and then pushed them to her ankles. Vanessa's legs fell open.

Heather inserted another finger, then another. Soon her entire hand swelled like a fist in Vanessa's drooling pussy.

"Push hard," moaned Vanessa. "Push hard—like a cock. Push harder!"

Heather did as she was told. Faster and faster she rammed her clenched hand into Vanessa's juicy love hole.

Vanessa cried out, "Cock! Cock! Fuck me with it! Cock!"

Heather plunged her hand deeper into Vanessa's steaming cunt.

Suddenly, Vanessa screamed in frustration and sat up, wrenching her stretched gash free of Heather's fist.

Vanessa was near tears as she cried, "I can't take it anymore! I can't! I thought I could live without it. Hah! That's a laugh. Cock is all I think about! Cock—and, and dying of AIDS. Shit! I'm sorry, Heather, but, shit! I just can't take it anymore!"

Vanessa stood then, kicking the bikini bottom from her ankles. She grabbed her sweatshirt from one of the chairs that lined the deck and angrily pulled it over her head.

Heather sighed. "Well, just what are we going to do?"

Vanessa grimaced. "I don't know. I don't know anything anymore, but that I'm horny for the real thing 24 hours a day! And don't tell me you're not too! You want cock as bad as I do. Admit it—you do."

Heather slowly nodded her head. Yes, it was true. She did want a man-size fuck, bad. Real bad. But it seemed Vanessa's AIDS paranoia had rubbed off on her as well. Sometimes Heather thought that she and Vanessa might really be doomed to live the rest of their lives cockless—sexually frustrated forever.

Heather frowned. A year ago both girls had been sexually sated with cock every night. The two of them would strut their stuff down the Sunset Strip, frequenting all the nightclubs and bars in quest of men. It was never hard finding just what they were looking for: a couple of great-looking guys to share. It had been fun. They would take the guys back to their apartment and take turns fucking and sucking them off until the two males would be begging for mercy. Casual sex. Great sex! But those were the good old days. Just memories now.

"I'm going to take a shower," Vanessa said. "Then we can decide how to spend another boring night at the beach."

Heather watched her friend walk back into the house. Her almond eyes lingered on Vanessa's bare ass as she swiveled her round hips down the hallway and around the corner. Heather's hand gripped her own pulsating pussy. She squeezed, then reached under her bikini bottom and stroked her distended clitoris. Heather came quickly. She climaxed and shuddered, then lay back on the lounge chair. Her eyes began to twinkle, and she smiled, exposing her even, white teeth.

"You want cock, Vanessa baby? Well, then, cock it'll be."

Heather got up and followed her friend inside the house.

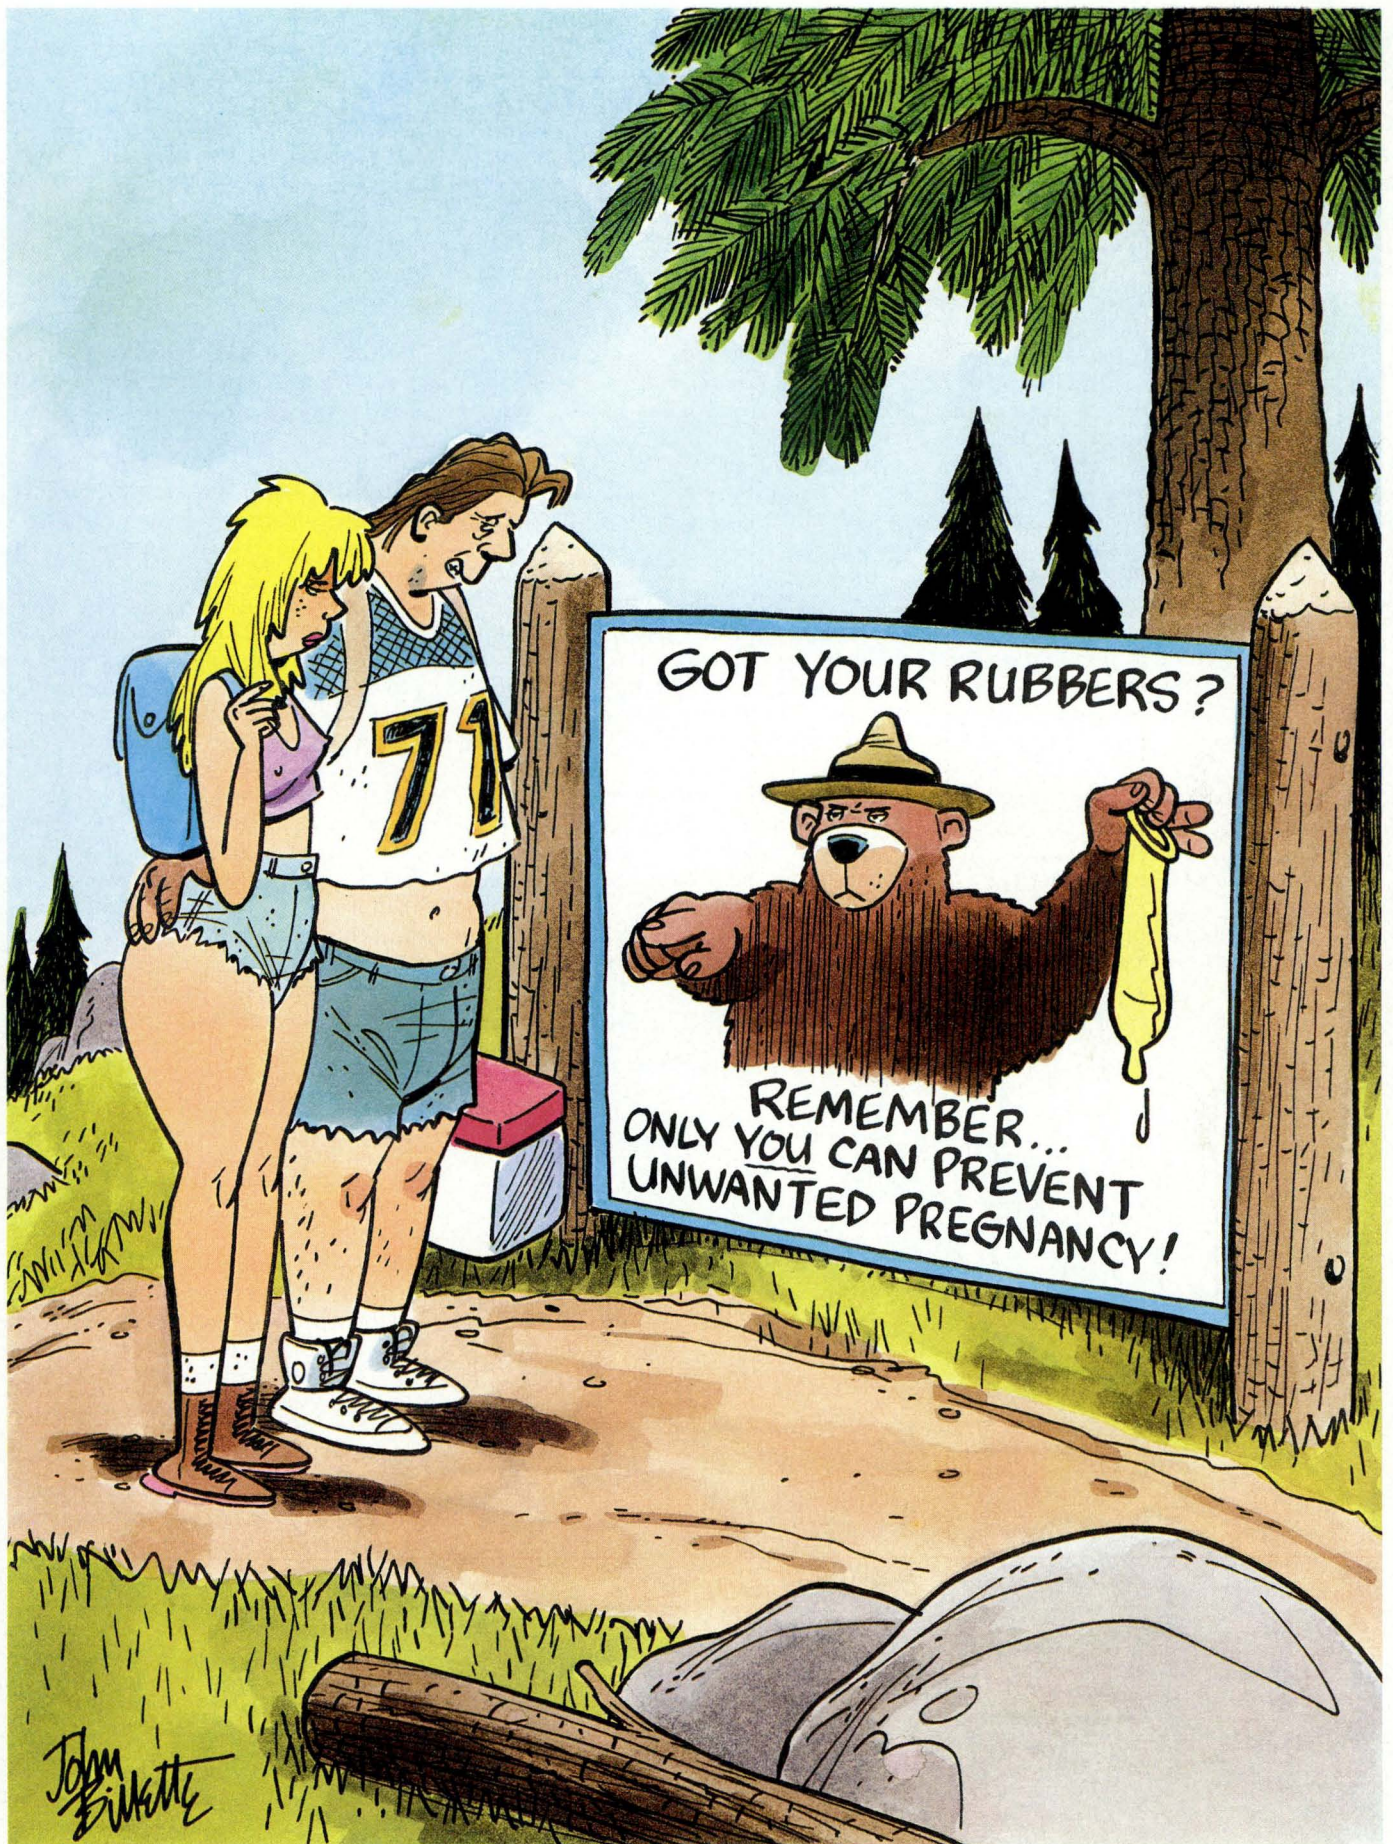

* * *

"A Ouija board?" Vanessa laughed. "That's great. I can't find a live man—now I'm looking for a dead one. Great, Heather. Great."

They were sitting in the vast living room on the big leather couch. Heather had just placed the Ouija board, which

"Son, I think we should talk about sex. Can you fix me up with some young pussy?"

FANGS

Vanessa spread her legs wider in the mirror and guided the glistening dildo into her burning twat.

she had found in a closet several days earlier, on the marble-topped coffee table. She then dimmed the lights.

Vanessa shook her head and pushed away the remainder of her TV dinner.

"You can laugh," Heather said, "but don't rule it out. I read once that you can contact people who are asleep as well. There must be some well-hung guy out there who's as horny as we are—and can totally prove to us he doesn't have AIDS. Jesus, Vanessa, I'm not sayin' that the Ouija is gonna get us both laid—but it sure beats the hell outa watchin' television."

Vanessa smiled. "Okay," she said.

Both girls rested their index fingers on the white pointer. Heather closed her eyes in deep concentration. Vanessa watched her friend, barely able to contain a giggle.

"Is anyone there?" Heather asked the Ouija board.

Nothing.

"Is anyone there?" she repeated.

Still nothing.

"We are looking for a spirit," Heather whispered. "We seek a male. We desperate-

ly seek a male who's free from disease."

"A male without AIDS," Vanessa added. "A tall, dark stud—with a fat, long dick that can stay hard for hours."

Vanessa gulped. She had to admit, no matter how stupid this spirit thing seemed, she was ready to beg this board for cock. Cock! God, how she wanted cock! She felt her pussy juices flow and unzipped her tight jeans. She dug her fingers down to her crotch, keeping her other hand placed firmly on the white pointer. She stroked her hard, wet clit.

"Is anyone there?" Heather asked again.

The white pointer shifted a bit under their fingers. Vanessa withdrew her sticky fingers from her brimming love tunnel in surprise. The pointer moved across the surface of the board and pointed to the letter *I*.

"Hurry! Write down what it says," Heather ordered. "Here's a pencil."

Vanessa hastily obeyed. Holding the pencil in her right hand and the moving pointer with her left index finger, Vanessa followed the rapidly moving instrument. She quickly jotted down all the let-

ters it pointed to. A moment later she angrily stood up.

"What's the matter?" Heather asked.

"Very funny," Vanessa said. "Like you don't know."

Heather grabbed the magazine and looked at what Vanessa had written. It read, "I'm coming. I have heard, and I am coming."

"Very funny, Heather. I'm glad you find my cockless condition so fucking amusing," Vanessa's dark eyes flared. "Fuck you, friend. Tonight you sleep alone. Good night!"

Vanessa stormed from the living room and went to the master bedroom. Once there, she locked the door, then turned down the sheets on the large circular bed. She was mad. Horny and mad. A bad combination.

Vanessa yanked her sweater off and threw it on a big lounge chair. She stood in front of the full-length mirror and gazed at her ample breasts. She held one in her hands and pulled it up to meet her mouth. She sucked hard on the nipple until it was erect, then dropped her breast and took off her jeans.

She crossed over to the bed and lay down, still watching her nude body in the mirror. She slowly withdrew the dildo from under the heart-shaped pillow and fondled its massive knob tip. With her hot tongue she moistened the bulbous head, while one hand gently slid open the generous lips of her hot cunt. She watched her pussy get wet in the mirror.

Vanessa spread her legs wider in the mirror and guided the glistening, saliva-wet dildo into her burning twat. A shudder ran through her body, and her back arched in a spasm.

"Fuck me! Fuck me, cock! Fuck me!" she cried.

The huge rubber cock oozed home effortlessly into her sopping cum hole. She slid the dripping-wet tool out and rubbed the hard rubber tip against her burning clit. Up, down, in, out. Her hips moved to meet the driving rod, building in speed and fury. She continued to gaze at her full cunt in the mirror. It was open wide, red with heat, and coming with hot, lathery pussy juices all over the cool, white-satin sheets. Her hands were soaked. She drove the rubber rod ever harder. Gaining more and more speed, she felt herself pitch into frenzied abandon. She screamed aloud as her orgasm rocked her body. The juice-drenched dildo slid from her fingers to the floor.

Exhausted, Vanessa crawled under the sheets and turned out the light. It had been just another boring night of frustrated masturbation as usual.

Vanessa slept. Later she felt warm breath on her face. Warm and rather

sweet. She rose to consciousness slowly, as if in a fog.

She thought, *I can feel someone in bed with me. No way. I locked the door. It's a dream.*

Vanessa slowly opened her eyes. The bedroom seemed filled with mist. Through it she saw two glowing red eyes. The eyes came closer. She felt two large masculine hands squeeze her breasts and thumb her nipples. Then she felt a long, hot tongue circle one now-erect nipple and then glide wetly to circle the other. She felt teeth gently bite the tips of her nips. She shuddered.

Now I'm having weird sex dreams, she thought as she looked down at the red eyes. If I don't have a man soon, they'll be taking me away.

There was a knock on the bedroom door, and Vanessa watched as the intruder in black stood, walked over and opened it.

Vanessa blinked as Heather came into the room. She was naked. The tall man took Heather by the hand and drew her to him.

Vanessa thought he was wearing a

cape, for when he extended his arm upward, Heather seemed to vanish for a moment. Then the tall man gently took Heather by the arm and led her to the bed. Heather slid down on the mattress, her breathing heavy.

Vanessa fingered Heather's moist pussy, spreading the hot fluid to her open thighs. Heather squirmed on the bed as the man leaned over and licked at her nipples. Then he flung off his cape and knelt on the bed, his red eyes piercing the night.

The stranger's head worked down from Heather's tits to her pulsating, wet clit. Heather moaned as the long, hot tongue penetrated her cunt, then darted in and out like a serpent.

Vanessa positioned her snatch over Heather's mouth, and as Heather began to suck at her, Vanessa grabbed between the man's legs. She gasped with delight. A real live cock! Hard as a rock! She could barely get her fingers around the root, and with two hands on it, there still was dick left over. The huge, hot member sprang to life in her hands.

Grinding her pussy into Heather's

mouth, Vanessa placed her own mouth around the gigantic, pulsing wand. A wave of wild excitement rushed through her body as she welcomed the rare male treat farther and farther down her throat. She tasted the flesh and the first dribble of salty cum. Dream or no dream, this was almost too good to be true.

The man suddenly withdrew his huge wang from Vanessa's mouth, smiled at her, then guided his tool into Heather's widely spread, pink lips. Vanessa came in Heather's mouth as she watched the enormous cock disappear entirely into Heather's eager pussy.

Suddenly Vanessa's own cunt ached like never before. Dream or not, it wasn't fair for the man to be in *her* bed and fucking her friend. Vanessa wanted that cock!

"Stop!" she screamed, pushing the still-thrusting man to one side, freeing his huge phallus. Vanessa pushed him down on the bed, then impaled herself on his welcome pole.

Vanessa screamed in pleasure while that veiny rod buried itself up to the balls. Before he started pumping, she was rocked by a series of unbelievable orgasms, orgasms made by a throbbing cock, orgasms she had thought were forever memories.

Heather licked her middle finger, then inserted it up Vanessa's ass. The man's cunt-stretching member worked inside Vanessa's flooding cunt like a jackhammer. Heather inserted two more fingers into Vanessa's tight butt-hole.

Vanessa's cries of torment and ecstasy filled the room. Just then the stranger's mouth closed in on her throat.

When the two razor-sharp fangs broke the soft flesh of her neck and began to suck in her rich, red blood, Vanessa realized that this was no dream. The Ouija board had not been fixed by Heather. They had summoned up a vampire!

Vanessa sucked in a deep breath when she felt the vampire stiffen as he exploded inside her. She arched her back as Heather plunged her fingers as hard as she could up her ass, and Vanessa felt the incubus's fluid overflow with volcanic fury out of her completely satisfied pussy and onto the bed.

The last thing Vanessa remembered was the man's blood-and-cum-soaked face, with its razor-fanged smile, as he said, "You needn't worry. Sex is better when you are dead, my precious. No more disease. You are now mine."

Vanessa and Heather still live on the beach, although they are never seen there during the day. The girls seem to be quite sexually satisfied, and they don't worry about AIDS at all.

Frighteningly, the New Age Movement is—practically point for point—identical with Nazi doctrines.

When one is at a sufficiently high level of Ramtha "wisdom" (i.e., hypnosis), Ramtha's message begins to change from a fairy tale to a nightmare. Ramtha predicts a coming holocaust, not unlike the Christian version of Armageddon; however, in the Ramtha version the only survivors are, naturally, the Ramtha-ites. "Ramtha says there is no evil, no crime and no victims," says Klinger, "as long as you're doing it for the so-called spiritual reasons."

In addition to erecting a castle in Yelm, a sort of fortress from the outside world, Knight (or Ramtha) has recently rumored to be building up a warehouse full of weapons. "When I went up to Yelm to try to talk Carey into leaving the cult," recalls her mother, "I spoke to J. Z. on the phone. One of the first things she asked me was if I could bring her any guns. This is really scary stuff. It reminds me of Nazism." When asked if, during the height of her brainwashed state, she would have killed for Ramtha, Klinger responds, "Yes. Absolutely."

Klinger still can't decide if Ramtha is just a great acting job on the part of

Knight, or if there truly is some sort of spiritual entity channeling through her. "I'll tell you one thing," says Klinger, who has reinvented herself in the Christian faith since her deprogramming, "if it is a spirit, it's definitely not who it says it is. No way. If this thing is real, it's definitely a demonic spirit."

The reality or non-reality of demons is a complex subject, but we cannot possibly argue that there are no evil men in the world. Interestingly, a frighteningly large number of these men—murderers like Charles Manson and the Son of Sam—have been heavily involved in New Age occultism.

Additionally, there is one other man—perhaps one of the most evil men ever to have lived—who most people don't realize was a practicing occultist.

The Nazi Connection

Adolf Hitler was a full-fledged occultist. He was a member of various occult societies (the Thule Gesellschaft, the Vril Society) and instigated a governmental branch known as the S.S. Occult Bureau. Moreover, Hitler's personal philosophy derived largely from *The Secret Doctrine*,

written by theosophist Helena Petrovna Blavatsky, who claimed that mankind originated in Atlantis, and that the Aryans were the master race of the seven Atlantean races. Purportedly, "enlightened" beings were chosen throughout history to pass on the "Mystery Teachings" to certain initiates. Those who followed these teachings would gradually evolve to higher and higher levels of consciousness, until they attained perfection. Of course, not all were destined for this much-vaunted state. Those left out included the Christians and, naturally, the Jews—an inferior race who had to pay for their "bad national karma."

By Any Name

In Hitler's day the perfect man was modeled upon the Nietzschean "superman." Today he is someone who's attained "enlightenment." What many New Agers fail to realize is that their beliefs are direct derivatives of the Theosophical Mystery Teachings. In fact, New Age ideas are not "new" at all. They are simply the same old occultic/pagan doctrines dressed up with names like the Human Potential Movement, Globalism and the Age of Aquarius.

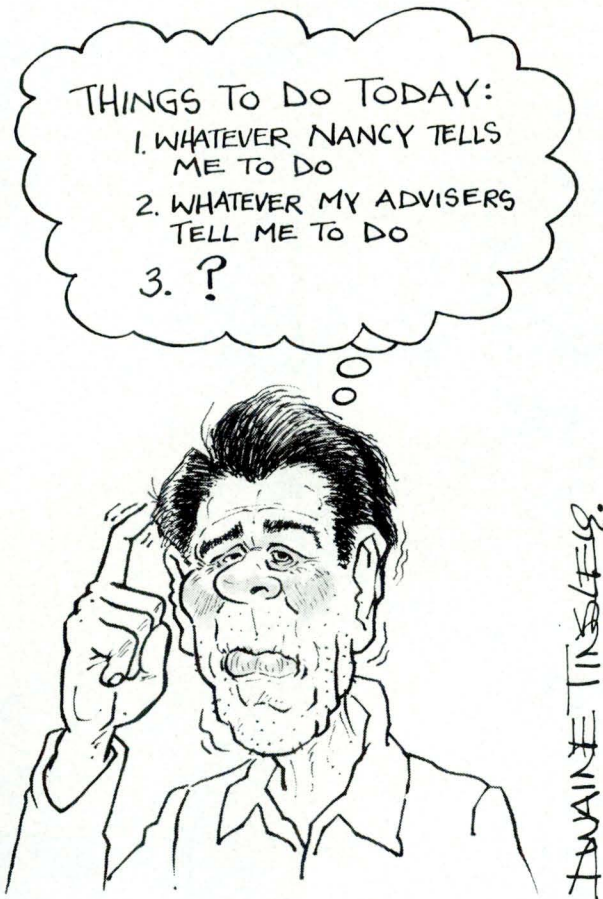

Frighteningly, the New Age Movement is—practically point for point—identical with Nazi doctrines. Underneath all the New Agers' talk of peace, love and harmony, there is an ugly antagonism toward any opposing viewpoint. In fact, part of the New World Order—which New Agers say must emerge in the coming Aquarian Age—involves both a New World Religion and a New World Monetary Order. This Order involves the elimination—or "cleansing action"—of all monotheistic religions—namely Christians, Moslems and Jews.

Political Cultism

Michael A. Aquino is the high priest in the Temple of Set, a satanic church in San Francisco that sprouted from the Anton LaVey Church of Satan. A former professor of political science at San Francisco's Golden Gate University and currently a lieutenant-colonel in the U.S. Army and a political military-affairs specialist, Aquino is specifically schooled in psychological warfare.

In a newsletter to his followers in 1981, Aquino describes a trip to Germany in which he visited both the Berghof (Hitler's house) and a castle, which Heinrich Himmler had appropriated as the site of the black magical activities of the S.S. After touring the castle, Aquino sequestered himself in the Sanctum Sanctorum—or the Hall of the Dead—and performed a "meditation," the purpose of which was simple: "to summon the powers of Darkness at their most powerful locus."

NEW AGE CULTS (continued from page 82)

Cannibalism, drinking of blood, and group sex enhance power while summoning the forces of Darkness.

In another newsletter—written on stationery headed Headquarters: Imperial Stormtrooper Force, Aquino outlines the basics of *MindWar*, a plan to control people through sophisticated brainwashing techniques. "The term *MindWar* is harsh and fear-inspiring, and so it should be," Aquino states. "The enemy may be offended by it, but that is quite all right as long as he is defeated by it."

The basic tenets of *MindWar* are quite simple: "Wars are fought and won or lost not on battlefields, but in the minds of men," Aquino says. "*MindWar* must strike at the nation's potential soldiers before they put on their uniforms."

When you stop to realize that in the eyes of a practicing satanist, "the enemy" is anyone who doesn't believe in the power of the devil, the horror of a mind-set like Aquino's becomes obvious.

Cult Growth

Despite the fact that New Agers would like to separate their activities from the more overt satanic groups, the division is arbitrary. The basic tenets of New Age philosophy and Satanism (the non-reality of evil, the constant striving for higher

levels of consciousness) are identical. One might say that Satanism is the conclusion of New Age occultism.

The end-all and be-all in both New Age and satanic groups is *power*. One way to beef up the power in satanic rituals is to sacrifice an animal, or even a human being. Anton LaVey, founder of the Church of Satan in San Francisco, poked fun at witches and Satanists who deem it necessary only to sacrifice animals. "They think they're being good," LaVey scoffed. "But sacrificing humans is *natural*."

Cannibalism, drinking of blood, and group sex are all ways to enhance personal power while summoning the forces of Darkness.

In his book *The Satan Seller*, Mike Warnke, former head of a satanic coven, describes a ghoulish incident. After invoking the Prince of Darkness at a ritual gathering of Satanists, who sat in a circle around the body of a girl strapped to an alter, Warnke invited any member to contribute flesh to the chalice.

Warnke describes a member coming forward and putting his finger on a spe-

cially prepared board with nails in it. To the side of the board lay a roofing axe. "I lifted the axe and brought it down with force," Warnke recalls. "*Whomp!* His little finger, down to the second knuckle, remained on the board when he withdrew his hand."

Even more frightening is Warnke's testimonial to the fact that the rise in Satanism and witchcraft today is not mere happenstance. After he had risen to a certain level of power, Warnke was invited to a national conference of Satanists and witches in a small town outside of all places—Salem, Massachusetts. The purpose of the meeting was simple: to streamline the induction of new members into covens across the globe. "There was much consideration of successful organizational practices, much of it taken from business and military procedures," Warnke recalls. "It could have been a meeting of a General Motors board of directors."

Only later did Warnke realize the frightening ramifications of the meeting. "My eyes were finally opened to the enormity and effectiveness of the satanic movement. I was now aware that I was part of a deep and widespread organization, operating all over the world."

"Conspiracy" theories regarding the New Age Movement have cropped up from both sides of the fence. Christian cult-watchers like Constance Cumbey (*The Hidden Dangers of the Rainbow*) and Dave Hunt (*Peace, Prosperity and the Coming Holocaust*) link everything from hunger projects, various governmental agencies and secret societies like the Illuminati in the conspiracy, condemning the likes of Yehudi Menuhin, Norman Cousins and Norman Lear.

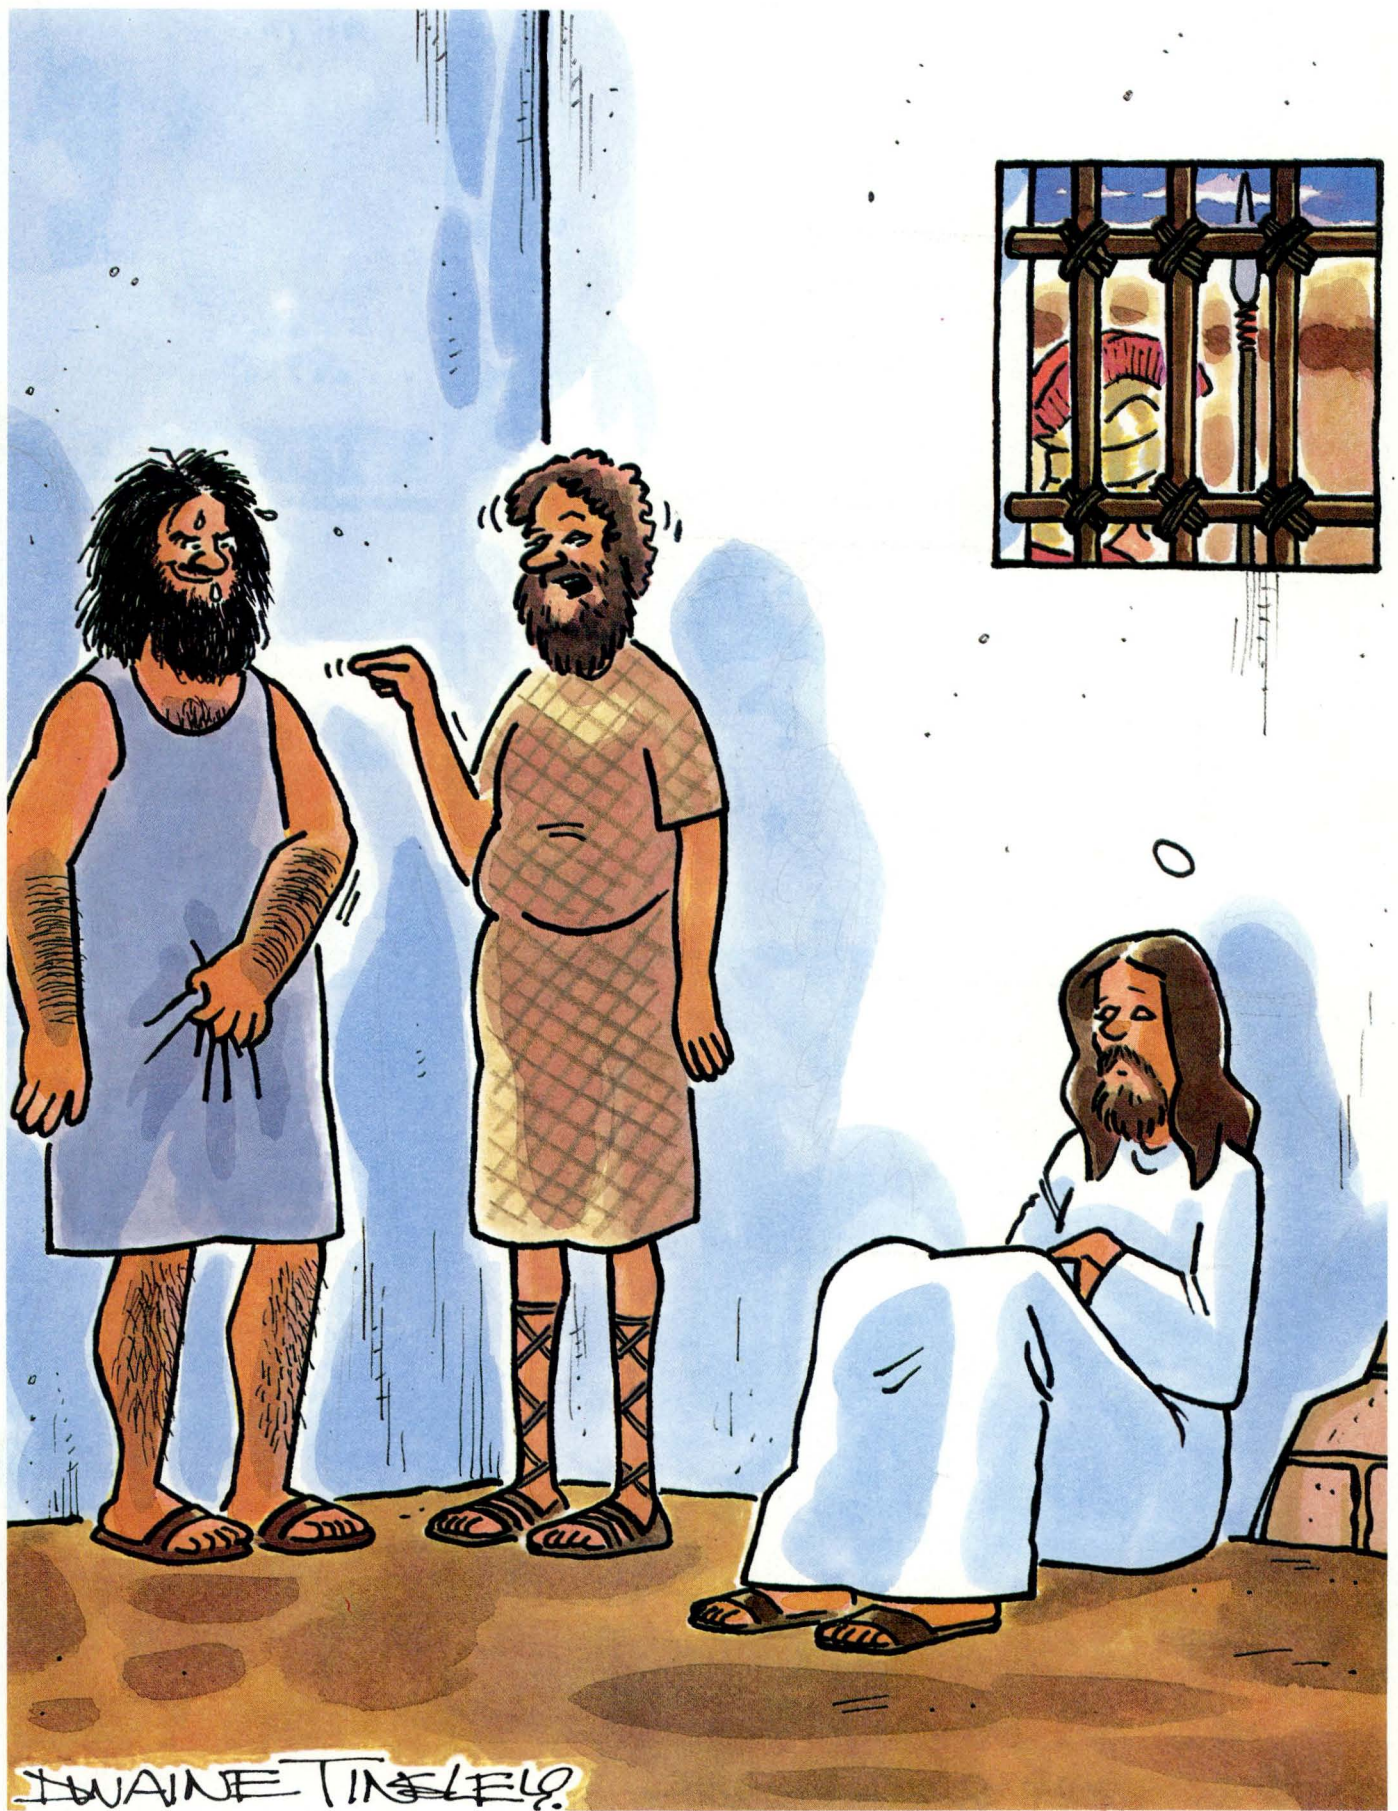

Even more bizarre is dyed-in-the-wool New Ager Robert Anton Wilson's conspiracy theory (from his book *Cosmic Trigger: The Final Secret of the Illuminati*). Within its scope are the Kennedy assassination, Hugh Hefner, Timothy Leary, Carl Sagan, Gurdjieff, Alan Watts, UFOs, modern quantum theory, Carlos Castaneda, Aleister Crowley and the Sirius Phenomenon.

Interestingly, both sides come to many of the same conclusions—the prime one being that mankind is indeed in for a sudden and radical shift in consciousness. Beliefs considered "far out" during the heyday of the acid generation have been fully incorporated into society.

Whether you find it wonderful or horrifying is, of course, a personal choice. The onrush of the New Age Movement is forcing us all to make this choice. We must all make use of every bit of information available to us and seek the answer within the solitude of our own hearts. You can't sit on the fence any longer. 🐾

OUT OF THIS WORLD SEX *(continued from page 50)*

Celebrities who have taken past-lives explorations range from Oscar-winner Shirley MacLaine to John Travolta.

peractive pace to make her guilt a real and palpable thing.

Suddenly the girl moaned in a frightened, tearful voice: "Here he comes again!"

Puzzled, the doctor looked in the direction in which the distraught teenager had pointed. Although he assured her there was no one else in his office, the girl clutched at his sleeve and begged him not to let the "man with the whip" beat her anymore.

"I'm sorry for what I have done," she sobbed. "But he is right. I must be beaten. I must have the sin scourged from my body."

The doctor felt the girl's body stiffen and jerk spasmodically. "I actually saw blood oozing up through her panties," he says. "I pulled them down over her thighs and, for one of the few times in my life, I doubted my senses. There were fresh wounds on her buttocks."

The doctor was familiar with the accounts of stigmata that had appeared on various saints and ecstasies. He also knew something of psychology, which he generally regarded as "horse sense mixed to-

gether with a lot of hocus-pocus."

The doctor gave his young patient a strong sedative and, while she dozed, he told her mother about the seduction. He advised her not to tell the girl's father and inspire him to get his shotgun, but to stand by her daughter in her guilt and confusion. He suggested that she practice the Christian charity about which they sang in their church pew every Sunday.

By the time the girl had regained enough consciousness to travel home, her mother had managed to get all the tears about her daughter's lost virginity out of her system. When the teenager saw that her parents were not going to punish her for her "terrible sin" and were allowing her to remain a member in full standing in the family circle, the phantom man with his bloody whip faded back into the murky recesses of the subconscious shadowland from whence he had come.

Another source of sexual frustration may stem from previous lives. Time and time again men and women obtain a definite and profound release from a present pain or phobia by reliving the origin of

their problems in some real or alleged former existence. Celebrities who have taken past-lives explorations range from Oscar-winning Shirley MacLaine to machos John Travolta, Glenn Ford and Sylvester Stallone. Knowledge of previous existences is but another form of awareness. The extended awareness received from past-life memories serves to enhance all the pleasures derived through the senses in present life. You may rediscover talents that can bring greater creativity to your present life. You may even become a better, more sensitive and responsive lover.

There are probably no accounts in the annals of psychical research more romantic than those of reincarnated lovers who have once again found each other over the span of centuries. Many men and women tell of having entered happy marriages as a result of their convictions that they had been sweethearts, lovers or spouses in a past life. On the other hand, certain less-fortunate individuals enter relationships consciously unaware of their tragic past-life ties and their karmic debts to one another. These love partners may experience personal anguish and find that their lives have become miserably complicated.

Marital maladjustments, emotional entanglements and sexual traumas may all have their roots in past-life experiences. Through counseling and past-lives regression, many men and women obtain release of present-life pain and chaos by reliving the origin of their trauma in an alleged former existence.

How does it work? Psychologists have long realized that discovering the cause of an existing condition releases its hold on the subject. By reliving an alleged past life, a subject is able to fully release his emotions and accept responsibility for actions that he now considers already performed and over with in a prior lifetime. Once the subject has made the transfer of responsibility to the present life, and has recognized that the "fault" or the "guilt" lies in a time far removed from current concerns, he is able to deal with the matter without shame.

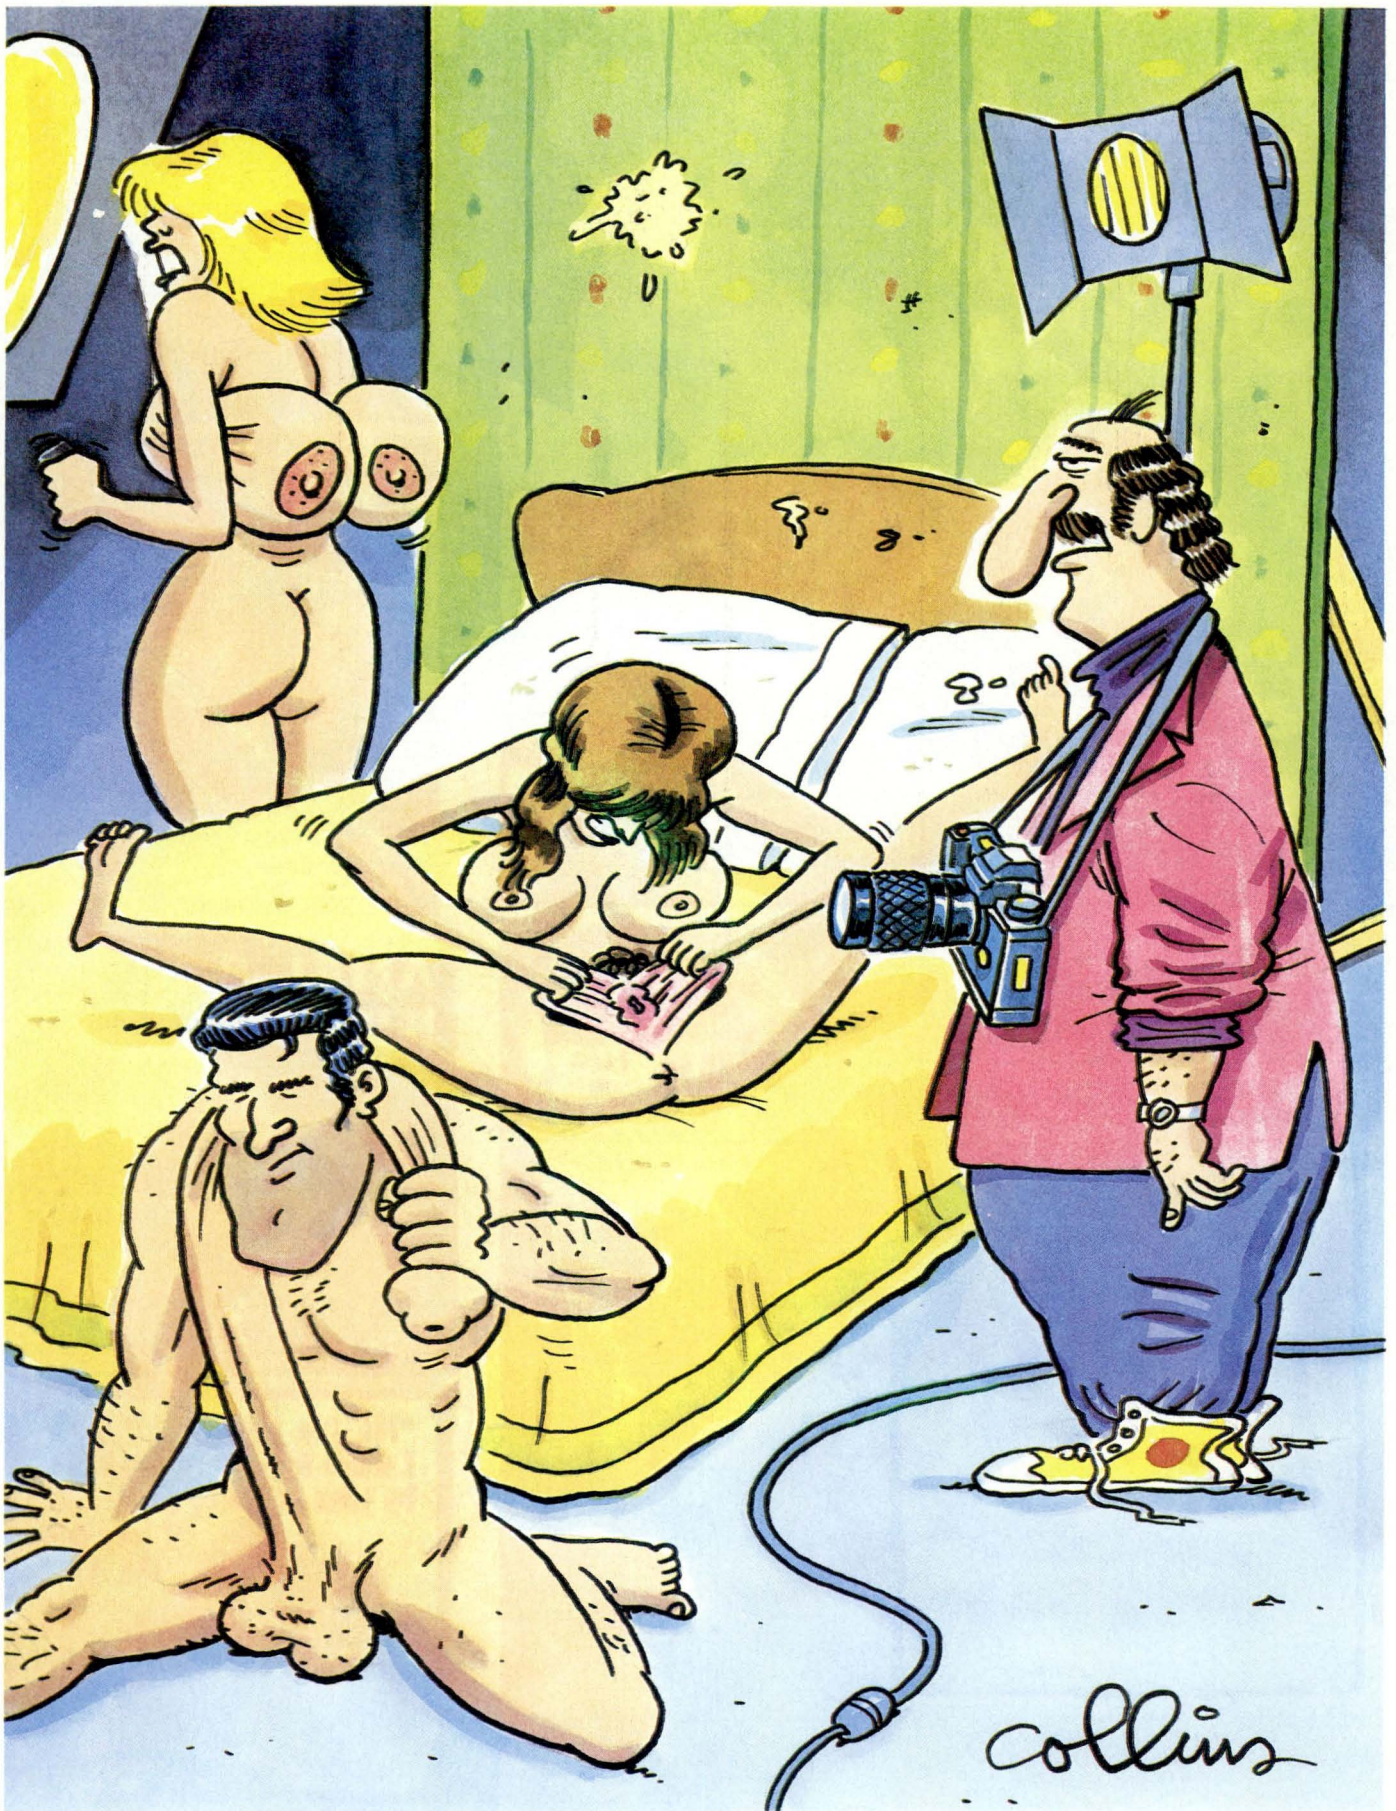

Mark was a wife beater. He swore that he did not wish to harm his wife, Carol, but from time to time he became inexplicably enraged at her, and beat her severely.

Through regression, Mark remembered a life as a victim of a Nazi concentration camp. In that existence, Carol had been a sadist who had taken great delight in torturing prisoners and in collecting hideous trophies from their mutilated bodies. With Mark's dying breath, he vowed to make the entity that was Carol pay for such brutalities. It took a number

OUT OF THIS WORLD SEX *(continued from page 92)*

Although she despised him, she craved his crude and violent style of lovemaking.

of sessions to help Carol and Mark deal with the incredible karma that had reunited victim and murderer.

Julia and Mel were a frank-speaking couple who bluntly stated that they had nothing good between them but sex. Their life together was an alternating series of depressions and sex, arguments and sex, money problems and sex. Nothing worked for them but the bedroom.

Regression placed the couple in New Orleans at the turn of the century. Julia was a prostitute, Mel, her brutal pimp. He had seduced her as a teenager and had made her his sexual slave. Although she despised him, she craved his crude and violent style of lovemaking. It required a number of sessions to assist this couple in building their union on something more substantial than their bedsprings, but a realization of their own spiritual evolution helped them gain deeper values.

Louise was exceedingly frustrated. A married woman, she had been carrying on an affair with Steve, who was also married, for more than five years. Sex was fantastic between them. They seemed to

love each other more than they did their spouses, yet neither of them felt as though divorce and remarriage was the answer to their dilemma.

Through past-life regression Louise was able to see that she and Steve had been blissfully married to one another in a prior-life experience. The point was, though, that they had fulfilled their karmic debts to each other. In their present lifetimes they had to work out previous situations with other partners. Painful as the session was for her, Louise realized that, in the present-life experience, she and Steve had to stay apart until they worked out their growth potential with their new mates.

Sex is more enjoyable, more beautiful and complete, with someone we love. Sex will become mechanical with those we do not love, for the act becomes a form of masturbation.

A series of simple exercises can enable you to master control of the universal energy and focus it through your personal energy system. By practicing the following mental steps, you can experience the fantastic experience of truly "supernat-

ural sex," sex that is out of this world.

Close your eyes, quiet your entire body, relaxing it from head to toe. Now imagine the gathering of the love energy that exists within the universe. See it collecting from the north, moving to the center of the heavens directly above you. Imagine it coming from the south, the east, the west, gathering together, blending into one glowing ball of bright, golden energy.

Imagine this energy moving down toward you, pouring into your head. Feel the pure energy of love traveling down your spinal cord like a warming, tingling current, filling you, making you complete.

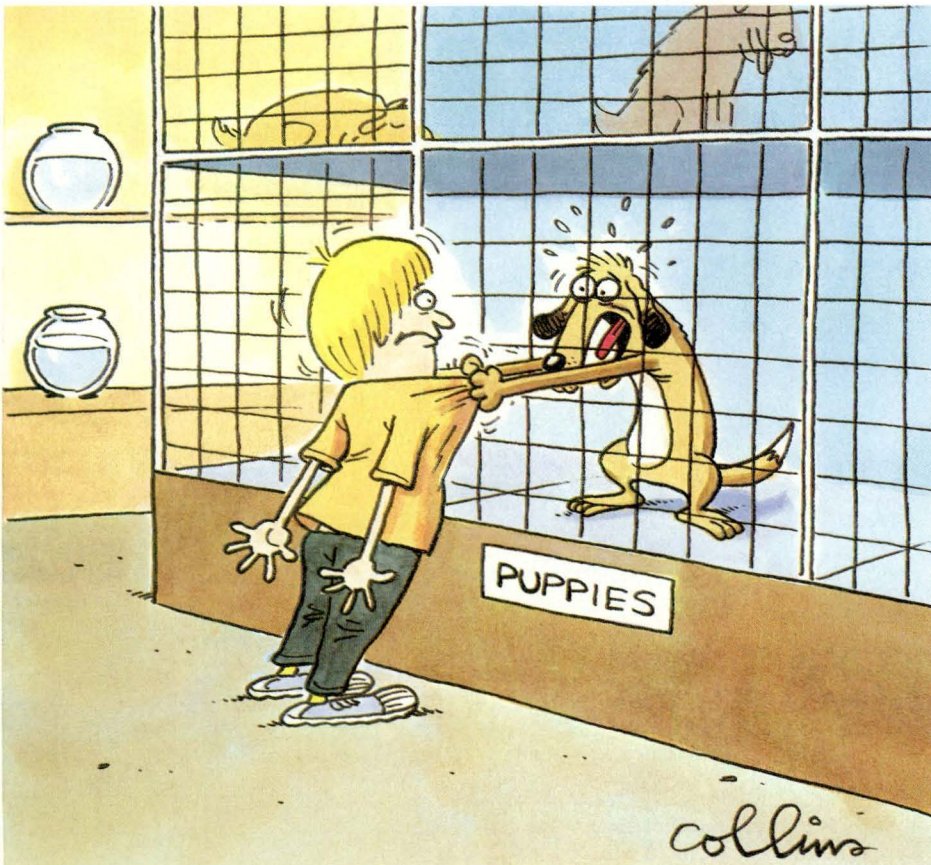

Now, imagine the one you love before you. Permit the love energy to travel down your spine and enter into your sexual region. Permit it to fill this region. Feel the energy within you harmonizing, blending with the essence of your love—glowing as one.

Notice how the love energy continues to collect and to pour in waves into you. Be aware of the energy as it moves in waves through your body and down into your sexual region. Continue to visualize the presence of your lover. Feel how your sexual energy has been modified, magnified, glorified.

Whenever you wish to prepare for true and total sexual satisfaction, perform this mental exercise of blending with the essence of your lover. Repeat the process at least five or six times. You will notice how it takes less time for you to imagine, to manifest and to feel the energy travel through your body. You will also notice how it takes less time to perform the entire exercise as you become more proficient at it.

Moments before sexual intercourse, perform this mental exercise to the fullest degree. Permit it to glow full within you and vibrate your sexual area to its most complete capacity. Continue the process throughout the entire sexual act. Feel the waves of energy entering your heart and your sexual region, becoming one mighty force. Experience all-encompassing love for your sexual partner. Continue the process until you desire to release all of the energy collected within you. Then do so with love.

Obviously, if you and your partner should practice this imagery together, the energy that the two of you generate and exchange with each other will be so intense that the most beautiful of all sexual feelings will manifest themselves. In the flow of oneness, you will understand that love and sexuality are the blending of the divine with the physical. When the two energies are balanced, positive, complete and harmonious, they are wondrous to behold.

ATTENTION: VIDEO COLLECTORS! A Public Announcement from Bristol-Foxx Video Prod.

90 MINUTE XXX-RATED HARDCORE!!

ONLY \$3.95 EACH

(This is Not a Misprint)

AS PART OF A MOST UNUSUAL PUBLICITY CAMPAIGN, Bristol-Foxx Video Prod. is making available a limited number of its NEWEST, UNRELEASED XXX-rated hard-core erotica for only \$3.95 each. They are being offered prior to theater distribution and are the LATEST, PRE-PRODUCTION, PRE-RELEASE video treatments of the hottest, most sexually explicit screen stories ever slated for the X-rated market—written & conceived for the biggest name stars in the tradition of **Seka, John Holmes, and Marilyn Chambers**.

THESE ARE NOT VIDEOTAPES SPLICED TOGETHER with a hodge-podge of incomplete bits & pieces. These are complete 90 minute stories from start to finish. Each is separate and individually packaged. WE CERTIFY THAT NO MATTER WHAT THE GOVERNMENT MAKES US DO TO CENSOR THEM PRIOR TO DISTRIBUTION, WHAT YOU GET WILL BE THE ORIGINAL UNCUT SCRIPT AS IT WAS MEANT TO BE ENJOYED.

HOW CAN WE MAKE THIS OFFER AT THIS PRICE? It's simple—for 2 reasons. First, we're betting that the excitement generated by this campaign will pay off later—with huge box-office receipts and runaway video sales. Secondly, we're able to keep our processing costs down by requiring that you order either a set of 6 (at \$3.95 each) for only \$23.70, a set of 12 (at \$3.95 each) for only \$47.40, or all 20 selections (at \$3.95 each) for only \$79, which entitles you to A FABULOUS FREE GIFT: A \$99.00 VIDEOTAPE SPECTACULAR, READ DETAILS!!!

BUT THERE IS A CATCH—All we ask in return for making this adult entertainment available to you is that you fill out & return the questionnaire you'll be receiving with your order. (It needn't be signed.) Your responses to our questions will be a tremendous help to us in producing X-rated pictures the public will want. In fact, **your response** is the whole aim of this campaign. The more selections you review the more valuable your input becomes. Therefore, to encourage you to review as many selections as possible, we are going to offer an additional bonus.

FREE-FREE If you order all 20 selections, you will receive, ABSOLUTELY FREE, the "California Sex Spectacular," our collector's edition video-tape of the Best of Sex, featuring no less than 25 of your favorite stars in the wildest, hottest action you'll ever see. Sold nationally for \$99, but yours FREE for ordering all 20.

FREE TICKETS—For each title you order, you'll receive FREE Souvenir Tickets for two to the local theater premiere.

CHOOSE FROM THESE SELECTIONS IN THIS APPLICATION/SURVEY FORM
You MUST fill out & return this application form along with the entire ad to be eligible for this offer.

NEXT MONTH IN HUSTLER

March issue on sale January 20, 1987

THE GIRLS YOU WANT

The girls of March run the gamut, from a sensual black beauty to our sexy centerfold—an old-fashioned country girl. That should whet your appetite for a rendezvous between a biker and his motorcycle mama, and a pair of luscious lezzies getting down on a secluded sun deck. Truly something for everyone.

LOVE HURTS

If you think the phrase “feminist sex slave” is a contradiction in terms, think again. Amy Cuvier is a well-spoken, sophisticated feminist who is also into sadomasochism. “Confessions of a Feminist Sex Slave,” her eye-opening first-person account, will give you a whole new perspective on the games people play.

GUILT BY URINATION

First, they’ve got you pissing in a plastic cup, next they’ve wired you to a polygraph machine and, before you know it, you’re out on your ass. Never mind that drug tests are often wrong and that lie detectors can’t always be trusted—to an increasing extent they have the last word on who works and who doesn’t. In “The Coming of the Brain Police,” William John Watkins issues some formidable warnings about these new Gestapo tactics and, most importantly, tells you how you can fight back before it’s too late.

COLOR HIM BLUE

“Dirty, obscene, sleazy, gross, nasty and outrageous!” That’s how standup comic Robert Schimmel describes his own act, which has gotten him barred from clubs across the country. Schimmel’s “Trials and Tribulations of a Smut Comic” details his fight against censorship and repression, in a revealing and hilarious manner.

AND THAT’S NOT ALL

HUSTLER’s regular features are bigger and raunchier than ever. *Hot Letters*, *Bits and Pieces*, *HUSTLER Erotic Entertainment* and *Beaver Hunt* continue to bring you the best of what life is all about.
